DEAR BOBIE,

THANK YOU FOR THE PHONE CALL. IT WAS GOOD TO HEAR FROM YOU. I'M ENCLOSED A PEDIGREE CHART FOR JOACHIM LORENZ LEHMANN SHOWING ALL HIS KNOWN ANCESTORS. THERE ARE PROBABLY MORE RECORDS IN THE ARCHIVES AT KARLSRUHE. I HAVE RESEARCHED OTHER FAMILIES THERE BUT NOT THESE - EXCEPT FOR SOME DATA ON THE BERNHARD HEMPERLIN AND THE CROWN INN.

I HAVE NOTED OCCUPATIONS ON THE CHART. THE TERM "CONVEYMAN" IS SOMEWHAT MISLEADING. THE ACTUAL TERM IS "DES GERICHTS" AND WOULD BE MORE LIKE A JUDGE OF THE PEACE IN OUR COUNTRY. NORMALLY, I DENOTE THIS "MAGISTRATE," BUT ON THIS CHART, I USED "MAGISTRATE" TO DESCRIBE HANSS BERNHARD HEMPERLIN, WHO WAS MORE THAN JUST "DES GERICHTS" OF THE COURT. HE WAS ACTUALLY A LAWYER AND RESPECTED JUDGE.

THE LEHMANN FAMILY HAS A PROUD MILITARY HISTORY IN THE UNITED STATES FROM THE VERY START. THE FIRST U.S. MILITARY UNIT ACCEPTED BY CONGRESS WAS "THOMAS RIFLE BATTALION." ANTON LEHMANN WAS A MEMBER WHO ENLISTED AT CARLISLE IN 1775. YOUR JOACHIM LORENZ LEHMANN (BESIDES BEING A FIFTH MAJOR) WAS PART OF A YORK COUNTY MILITIA DETACHMENT THAT APPREHENDED SOME BRITISH DESERTERS AND TOOK THEM TO CAMP SECURITY. JOHANN (POPE) LEHMANN (MY ANCESTOR) WAS ENROLLED IN

(1798)
CUMBERLAND COUNTY (PA) MILITIA. AFTER THE WAR HE WAS
A MEMBER OF THE CUMBERLAND COUNTY LIGHT DRAGOONS
(ADAMANTINE GUARD). HIS INVENTORY WHEN ^{HIS WIFE} ~~HE~~ DIED (1822)
REVEALED SHE STILL HAD HIS REGIMENTAL COAT, UNIFORM
CAP AND SWORD. THE "CAP" WAS MOST LIKELY A LEATHER
CAP WITH WHITE HORSETAIL CREST WHICH WAS LATER WORN
BY THE ADAMANTINE GUARD. IT MAY HAVE BEEN MORE
ELABORATE WITH FUR, ETC. THE SWORD WAS MOST LIKELY A
SIMPLE, BUT FUNCTIONAL SABER. HE HAD AN EXPENSIVE
SADDLE AND A PLAID CLOAK WHICH WERE ALSO PROBABLY
PART OF HIS MILITARY GEAR. THE 4TH BROTHER, JOHANN
JACOB LEHMANN, SIGNED AN OATH OF ALLEGIANCE AND WAS
ENROLLED IN THE CUMBERLAND COUNTY MILITIA, BUT HE MAY
NOT HAVE TURNED OUT SINCE HE WAS HEAVILY FINED. THIS
WAS COMMON. LANCASTER COUNTY WAS A PROBLEM AREA WITH
MILITIA. A BATTALION REPRESENTED ABOUT 1000 MEN. IN AN
BATTALION, WHEN CALLED TO SERVE, ONLY ABOUT 10 MEN SHOWED
UP!

I'M NOT SURE IF I MENTIONED IT, BUT JUST FOR
GENERAL INFORMATION - THE MUSICIANS DURING THE
REVOLUTION USUALLY WORE REGIMENTAL COATS OF "REVERSED"
COLORS, SO THAT IF THE COAT WAS BLUE WITH RED
FACINGS, THE MUSICIANS WORE RED WITH BLUE FACINGS.
SINCE MOST CONTINENTAL UNITS HAD BLUE COATS, IT WAS
COMMON TO OUTFIT MUSICIANS IN CAPTURED BRITISH

UNIFORMS. CONSEQUENTLY, AT LEAST SOME OF OUR MUSICIANS WOULD HAVE LOOKED MORE LIKE BRITISH SOLDIERS. I'D ADD THAT SINCE JOACHIM LORENTZ LEHMANN WAS A FIFTH MAJOR AT SOME POINT. ALSO, IT MIGHT INTEREST YOU TO KNOW (IF YOU DON'T ALREADY) THAT WHEN JOACHIM LORENTZ LEHMANN WAS BORN IN 1742, BLANKENLOCH WAS PART OF THE PRINCIPALITY OF BADEN-DURLACH, IT WAS JUST ONE OF THE MANY SMALL STATES THAT LATER BECAME GERMANY. HIS GREAT GRANDFATHER, HANSS JACOB LEHMANN WAS BORN IN SÜHR (SUHR) IN BERN TERRITORY, SWITZERLAND. TODAY SUHR IS IN KANTON AARGAU WHICH (AT LEAST IN PART) WAS CREATED FROM BERN CANTON.

I CAN'T WAIT FOR YOUR LEHMANN MATERIAL. I WONDER IF YOU KNOW WHEN THE FIRST LEHMANN (LAYMANS) WENT INTO MISSOURI? ALSO, I WONDER IF YOU FOUND ANY KENTUCKY LAYMANS IN THE WINTER OF 1812? THERE WERE SEVERAL THOUSAND KENTUCKY CAVALRY WHO SERVED AND SINCE THE PENNSYLVANIA LEHMANN HAD AN EARLY CONNECTION TO CAVALRY, I WONDER IF THERE WAS A PARALLEL IN KENTUCKY BY THE 1840's (IF I RECALL) THERE WAS A LEHMANN DESCENDANT IN THE OREGON TERRITORY. IN THE EARLY 1800'S BRANCHES BEGAN TO MOVE TO OHIO. I HAVEN'T TRIED TO CONNECT THEM YET, BUT THERE WERE LEHMANNS

WHO FELL WITH CUSTER'S COMMAND AT THE
LITTLE BIG HORN IN 1876. SINCE MOST LEHMANN
(AGAINST BEARING ARMS) (CUSTER'S SOLDIERS)
ARE MENNONITES, I BELIEVE THEY MIGHT BE
DESCENDANTS OF OUR LINE. SERVICE RECORDS AT THE
ARCHIVES MIGHT VERIFY THIS. I KNOW LEHMANN'S SERVED
IN THE FEDERAL ARMY DURING THE CIVIL WAR. I THINK
IT WOULD BE INTERESTING TO DOCUMENT ANY WHO SERVED
IN THE CONFEDERATE ARMY.

ALSO, HAVE YOU FOUND ANY INDICATION THAT JOACHIM
LORENTZ LEHMANN'S MOTHER WENT TO KENTUCKY WITH
HIM? SHE WOULD HAVE BEEN AGED 75 IN 1798.
FOR THOSE DAYS, SHE WAS A LITTLE OLD TO MAKE SUCH
A MIGRATION, BUT I'VE SEEN OTHER CASES WHERE
AN EVEN OLDER PARENT WENT ALONG. ANYWAY, I'VE
NEVER FOUND HER DEATH RECORD IN PENNSYLVANIA, AND
JOACHIM LORENTZ LEHMANN WAS THE ELDEST SON, SO
I JUST WONDER IF SHE MIGHT HAVE GONE ALONG?

American Emigration from Baden-Durlach in the Years 1749-1751

By FRIEDRICH KREBS

Translated and Edited by Don Yoder

Along with other areas in Southwest Germany and Switzerland, the Protestant areas of Baden produced significant emigration to the New World in the 18th Century. Among these was the small duchy of Baden-Durlach in the vicinity of Karlsruhe. The Protocols of the Court Council and Revenue Office of Baden-Durlach (*Hofrats- und Rentkammerprotokolle*), in the Baden State Archives (*Generallandesarchiv Karlsruhe*), contain many petitions for emigration from which the following list of emigrants to the New World, principally Pennsylvania, has been compiled.

The procedure for emigration was as follows. The petitioner appealed to the Court Council (*Hofrat*) for permission to emigrate, then his appeal was turned over to the Revenue Office (*Rentkammer*), which worked out the manumission taxes. When these were settled, manumission was proclaimed and the petitioner was free to leave, making his way down the Rhine to Rotterdam, from whence the emigrant ships sailed.

From the standpoint of the social history of the emigration, the reasons cited by the petitioners in Section 2 (1750), mostly bad economic conditions, are particularly valuable. The position taken by the authorities toward the emigration is also graphically portrayed. Allowed to leave were people of modest property, bad reputation, and those from villages already overpopulated. In particular cases even the personal decision of the margrave was invoked.

[The sources for this composite article are (1) "Amerika-Auswanderer aus Baden-Durlach im Jahre 1749," in *Badische Heimat*, XLII (1962), 133-134; and (2) "Studien zur Amerikaauswanderung aus Baden-Durlach für das Jahr 1751," in *Badische Heimat*, XXXVI (1956), 155-156. The emigrant list of 1750 is published here for the first time, although it is also scheduled to appear later this year in *Badische Heimat*. The 1749 list was also published, with some additional names from the Palatinate, in the article "Einige Amerika-Auswanderer des 18. Jahrhunderts," in the *Senftenegger Monatsblatt für Genealogie und Heraldik*, V (1961), cols. 123-126. The 1751 emigrants were also published, without the protocol source references, and unfortunately without umlauts, under the too-inclusive title "Emigrants from Baden-Durlach to Pennsylvania, 1749-1755," in the *National Genealogical Society Quarterly*, XLV (1957), 30-31.

The list of petitioners for emigration in the year 1752 has already been published in the article "Pennsylvania Dutch Pioneers from Baden-Durlach: 1752," in *The Pennsylvania Dutchman*, VIII:4 (Summer-Fall 1957), 48.—EDITOR.]

EMIGRANTS OF THE YEAR 1749

1. *Johannes Bischoff*, citizen and resident of Dietlingen, wanted to emigrate to Pennsylvania. The Oberamt Pforstheim had no objections to his proposal, because there was no lack of citizen residents in Dietlingen. He was therefore manumitted with his wife and two children by the Revenue Office (*Rentkammer*) on payment of 50 florins (Protocol 1319 No. 1185; Protocol 839 No. 724). Perhaps he is identical with the *Johannes Bischoff* who arrived at Philadelphia on the Ship *Duke of Wirtemberg*, October 16, 1751 (Strassburger-Hinke List 176C).

2. *Margarethe Sturm*, widow of *Johannes Sturm*, of Unterwössingen, also was permitted to emigrate to Pennsylvania, with her four children, on payment of 25 florins manumission tax. One *Johannes Storm* landed at Philadelphia on the Ship *Lydia*, October 19, 1749 (Strassburger-Hinke List 142C). Perhaps he is a son of this family, since among the other passengers were Bastian, Bertsch, and Kautz (q.v.).

3. The widow of *Michael Höris*, onetime resident at Stein, was likewise permitted to emigrate to Pennsylvania on payment of the taxes (Pr. 840 No. 910; Pr. 1320 No. 1660).

4. *Michael Bastian*, magistrate (*Beisitzer*) of Berghausen, wanted to go to Pennsylvania; he was manumitted with his wife and two children on payment of seven florins. Further, *Jacob Bertsch*, citizen and shoemaker at Göbrichen, was manumitted gratis on account of his propertyless status (Pr. 840 No. 915, 916; Pr. 1320 Nos. 1792, 1793). *Michael Bastian* and *Jacob Bertsch* took the oath of allegiance October 19, 1749, arriving at Philadelphia on the Ship *Lydia* (Strassburger-Hinke, List 142C).

5. *Ulrich Britz*, tenant of the sawmill at Russheim, wanted also to go to Pennsylvania, and was manumitted with his wife and five children on payment of 20 florins manumission tax (Pr. 1320 No. 1803).

6. *Adam Renker*(t), of Opfingen, was likewise manumitted with wife and three children on payment of

20 florins (Pr. 1321 No. 2116). Possibly *G. Adam Renecker*, who took the oath of allegiance August 15, 1750, arriving at Philadelphia on the Ship *Royal Union* (Strassburger-Hinke, List 149C).

7. *Anna Maria Saltzer*, wife of the stonemason *Saltzer* of Müllheim, was manumitted with her husband on payment of 12 florins (Pr. 1321 No. 2115).

8. *Georg Adam Gorenflo*, inhabitant of Friedrichstal, with his wife, and *Isaac Friedrich Gorenflo*, and *Philipp Onofre Gorenflo* from Friedrichstal also applied for emigration; their goal was Philadelphia. *Jor Adam Goranslo* (so misread by Hinke) arrived at Philadelphia September 28, 1749, on the Ship *Ann* (Strassburger-Hinke, List 139C).¹

9. *Adam Bentzlin (Benzle)* of Kleinsteinbach also wanted to go to Pennsylvania with his wife *Constantia*. Because of their propertyless status he had to pay only six florins emigration tax (Pr. 840 No. 912; Pr. 1320 No. 1790).

10. *Johan Georg Säemann*, subject at Dietenhausen, likewise applied for emigration to Pennsylvania (Pr. 840 No. 913). *Johan Georg Säman* is listed among the passengers on the Ship *Duke of Wirtemberg*, arriving at Philadelphia, October 16, 1751 (Strassburger-Hinke, List 176C).

11. In the case of *Jacob* and *Michael Kautz*, two unmarried brothers from Göbrichen (Pr. 840 No. 1036), there is, it is true, no goal of emigration given, but they are surely identical with the *Jacob* and *Michael Kautz* who landed at Philadelphia on the Ship *Lydia*, taking the oath of allegiance there on October 19, 1749. They were manumitted gratis on payment of doubled expedition taxes (Pr. 1320 No. 1835). In the ship's lists of the port of Philadelphia their names are given incorrectly as *Jacob* and *Michael Kantz* (Strassburger-Hinke, List 142C).

¹The *Goranslo* family is well documented in the volume by *Oskar Hornung, Friedrichstal: Geschichte einer Hugenotten-gemeinde zur 250-Jahrfeier* (Karlsruhe: C. F. Müller, 1949). The town, a short distance north of Karlsruhe, was founded in 1699 for French Protestant refugees, some of them Walloons from the French-speaking provinces of the Spanish (later Austrian) Netherlands. *Jacques Gorenflo* was the mayor of Friedrichstal, 1699-1710; he was also schoolmaster and the acknowledged leader of the colonists (p. 223). His sons, *Pierre* and *Jacques*, settled about 1710 on the *Karlsbacher Hof* near the village (p. 222 ff.), returning to Friedrichstal in 1721 (p. 231). *Georg Adam Gorenflo* was born April 12, 1720, son of *Pierre* and *Anna Katharina (Pierrot) Gorenflo*, and grandson of the pioneer *Jacques* (p. 230). While *Georg Adam Gorenflo* did emigrate, it appears that the other two members of the family who applied for emigration at the same time, remained in Friedrichstal. *Philipp Onofre Gorenflo* became a citizen in 1754 (p. 157), and in 1785, "old *Isaac Friedrich Gorenflo*" was listed as living in the *Hirschgasse* in the town (p. 313). The book lists at least twenty-five members of the *Gorenflo* family who emigrated to America in the 19th Century, from 1834 to 1894 (pp. 215-216). The family name, which has achieved a fantastic number of variant spellings (see p. 194), may derive from the French place-name *Gorenflos*, between Abbeville and Amiens in the Department of the Somme (p. 176).—EDITOR.

12. Permission to emigrate to Pennsylvania was also requested by three residents of Blankenloch, *Theobald Nagel*, *Hans Georg Schauffler*, and *Michael Lehmann* (Pr. 842 No. 2792), who also were manumitted (Pr. 1324 Nos. 4855, 4856, and 4857). *Dewalt Nagel* arrived at Philadelphia on the Ship *Phoenix*, August 28, 1750 (Strassburger-Hinke, List 154C); *Hs. Georg Schauffler* on the *Brotherhood*, November 3, 1750 (Strassburger-Hinke, List 159C); *Michael Lehman* on the *Phoenix*, August 28, 1750 (Strassburger-Hinke, List 154C).

13. *Maria Magdalena*, widow of *Andreas Souz*, inhabitant at Friedrichstal, was permitted finally to go to Pennsylvania, with her seven minor children (Pr. 840 No. 1956). Perhaps *Johan Jacob Sutz*, who arrived on the Ship *Ann*, landing at Philadelphia September 28, 1749 (Strassburger-Hinke, List 139C), was a son of this family.²

14. *Caspar Tieffenbach (Diefenbacher)*, who was manumitted for his four children, on payment of six florins, was able to emigrate to Pennsylvania. *Caspar Diefenbacher* arrived at Philadelphia on the Ship *Edinburgh*, August 13, 1750 (Strassburger-Hinke, List 148C), although there was a *Caspar Derffenbecher* who arrived in 1749 (List 139C).³

15. *Margaretha Elser*, *Barbara Schmied*, and *Catharina Zimmermann*, three widows from Russheim, who wanted urgently to get to Pennsylvania, were quickly dispatched (Pr. 1319 No. 841; Pr. 1320 Nos. 1696, 1697, 1698). While in most ship lists women were not listed, it may be significant that on the Ship *Ann*, arriving at Philadelphia September 28, 1749, there was a *Petter Elser* listed with three *Zimmermans*, and *Gorenflo* and *Souz (Sutz)*, q.v. (Strassburger-Hinke, List 139C).

16. *Johann Michael Jung*, blacksmith by trade, from Dietlingen, was in 1749, by personal decision of the Margrave, graciously repatriated as citizen in his home village of Dietlingen. As a sixteen-year-old youth he had gone in 1744 with his parents *Johann Philipp Jung* and his brothers and sisters to Pennsylvania. On the way he had lost both parents and some of his brothers and sisters and along with the passengers of two ships had fallen into the hands of Spanish pirates. After liberation by the English he was provided with passes and traveling money for Holland. He finally asked to

²*Andres Souz* is listed among the junior citizens (*jeune bourgeois*) of Friedrichstal in 1718 (Hornung, *op. cit.*, p. 156), and as having contributed two gulden toward building the town church in 1725 (p. 88). Five members of the *Sutz* family emigrated to North America in the period 1880-1903, all of them farmers (p. 220).—EDITOR.

³The wife of *Caspar Tieffenbach* followed with her children in the year 1752. According to the protocols, they were so poor that the community declared itself ready to advance the travel money (Pr. 853 No. 952, Pr. 1336 No. 1055). See "Pennsylvania Dutch Pioneers from Baden-Durlach: 1752," by Friedrich Krebs, translated by Don Yoder, in *The Pennsylvania Dutchman*, VIII:4 (Summer-Fall 1957), 48.—EDITOR.

ification of his marital affairs before the marriage court, and dissolution of the marriage, it was agreed that he could be manumitted on payment of 27 florins (Pr. 845 No. 408, Pr. 1326 No. 1649).

28. There were great difficulties in the case of *Hans Georg Dillmann* and *Florian Brunn*, inhabitants of *Deutschneureut*, who likewise wanted to leave for Pennsylvania. The authorities were unwilling to let them leave on account of their considerable property. The former wanted to leave in spite of the Oberamt's advice to the contrary, "because he can no longer support himself with his family" [*weil er sich mit seiner Familie nicht mehr nähren könne*]. The latter gave the same reason for emigration, that after yearly duties and payment of shepherds to avert damage from wild game, hardly anything was left over for him to live on. Both requests were finally denied by decision of the Margrave (*resolutio Serenissimi*), because they had wanted to force emigration through neglect of their economy and partial sale of their properties (Pr. 845 Nos. 542, 568, and 641, Pr. 846 No. 694). Nevertheless *Hans Georg Dillman* landed at Philadelphia on the *Ship Brothers* in 1751, where he took the oath of allegiance on September 16, 1751 (Strassburger-Hinke, List 169C).

29. Also on account of high property valuation the emigration request for Pennsylvania of *Melchior Geiser* of *Wolfartsweiler* was refused to begin with by the Margrave (*resolutio Serenissimi*). The Oberamt *Durlach* was in favor of emigration, however, because "as farmer he had already pretty much diminished his considerable property through all kinds of inconsiderate and slovenly transactions" [*als Bauersmann sein considerable anzusehen gewesenes Vermögen bereits durch allerhand unbedachtsame liederliche Händel ziemlich verringert habe*]. The government's conclusion was that "like a member of human society resembling an unfruitful branch, no further hindrance should be laid in his way or indeed in the way of other such members" [*einem unfruchtbaren Ast gleichendes Mitglied der menschlichen Societet ihm oder wohl gar mehreren Membris im Wege nicht länger gelassen werden möchte*]. When in the same year the community of *Wolfartsweiler* presented the petition to permit his emigration, since he was not in condition to support his family—and the fear was expressed that he would, with his wife and children, become a burden to the community after the wasting of his property—he was finally manumitted, on payment of 50 florins (Pr. 845 No. 615, Pr. 846 No. 693, and No. 848, Pr. 1326 No. 1650). He landed at Philadelphia as *Melchior Geissert* on the *Ship Brotherhood*, November 3, 1750 (Strassburger-Hinke, List 159C).

30. *Georg Huber* of *Niefern* was permitted to leave for Pennsylvania on payment of 19 florins (Pr. 846

No. 778, Pr. 1326 No. 1609). Possibly the *Johann Georg Huber* who arrived at Philadelphia on the *Ship Two Brothers*, August 28, 1750 (Strassburger-Hinke, List 153C).

31. *Anton Hauer* of *Blankenloch* was permitted to leave for Pennsylvania (Pr. 848 No. 2475, Pr. 1329 No. 4482). Probably *Anthony Hauer*, who arrived at Philadelphia on the *Ship Brothers*, September 16, 1751 (Strassburger-Hinke, List 169C).

32. *Jacob Lehmann* of *Blankenloch* was permitted to leave for Pennsylvania (Pr. 848 No. 2476, Pr. 1329 No. 4483). *Jacob Lehmann* arrived at Philadelphia on the *Ship Brothers*, September 16, 1751 (Strassburger-Hinke, List 169C).

33. *Friedrich Kloppey*, citizen and cabinetmaker at *Weiler* near *Pforzheim*, who according to the report of the Oberamt *Pforzheim* was a bad manager, on whose departure the village would lose nothing, was permitted to leave for Pennsylvania (Pr. 848 No. 2539, Pr. 1329 No. 4484). *Friedrich Kloppeyn* arrived at Philadelphia on the *Ship Two Brothers*, September 21, 1751 (Strassburger-Hinke, List 170C).

34. *Adam Pfisterer* of *Bauschlott*, with wife and five children, requested release from vassalage. According to the report of the Oberamt *Pforzheim* he possessed only 43 florins and "is in the category of those whom we can well do without" [*von der Gattung dererjenigen seye, die man wohl entbehren könne*] (Pr. 846 No. 859). Although his intended goal of emigration is not indicated, and I could find no evidence of manumission, he is probably identical with the *Hans Adam Pfisterer* who landed at Philadelphia in 1750 on the *Ship Two Brothers* (Strassburger-Hinke, List 153C).

35. *Christoph Peter Zechiel* and *Jacob Schwarz* of *Auerbach* were finally, in spite of their not inconsiderable property, permitted to emigrate to Pennsylvania and that by decision of the Margrave. Even the Oberamt *Durlach* had no objection, "because the place is already overpopulated anyhow" [*weil der Ort sowieso schon mit Leuten übersetzt sei*] (Pr. 848 Nos. 2575-2576, 2683-2684).

EMIGRANTS OF THE YEAR 1751

36. *Matthäus Hunold*, Reformed, charcoal-burner, from *Weiler* (near *Pforzheim*), was permitted to emigrate to Pennsylvania with his wife and child (Pr. 849 No. 26; Pr. 1330 Nos. 432, 690; Pr. 1331 No. 1003). *Mattheis Hunolt*, accompanied by a *Wilhelm Hunolt*, arrived at Philadelphia on the *Ship Two*

"It would appear that *Melchior Geiser* prospered in the new world; at least he achieved centenarian status. The Reverend *John William Runkel*, Reformed minister in *Frederick, Maryland*, records in his journal for 1799 "having buried, on the 11th of January, *Melchoir Geisser*, of *Middletown*, aged 110 years" (*Henry Harbaugh, The Fathers of the German Reformed Church in Europe and America*, second edition, II (1872), 297.—EDITOR.

Dear Mrs. and Mr. Layman !

Your letter of April 7th, 1995 was given to me by the town hall Stutensee for working on it. I am responsible for genealogy of Stutensee and deal with the inquiries which are sent to the parish and the municipality Stutensee.

Due to the persons searched by you a man called Richard Lehmann has already written to me at the beginning of the year. It was resident in Hoßkirch at the Bodensee but will now be in the USA again for some time. His address there is unknown to me. He sent a picture postcard from San Francisco to me. I also inform you about what I could establish from the church registers. These registers go back to the year of 1669. Moreover no establishing is possible.

The emigrants were:

- 1.) Lehmann, Johann Jacob, weaver
* born on July 12th, 1741 in Blankenloch
+ died ? in America
wedding on December 5th, 1741 in Blankenloch
Hemberlin, Anna Magdalena
* born on September 15th, 1723 in Blankenloch
+ died ? in America
- 2.) The parents of 1.) were:
Lehmann, Johann Jacob, working at the court
* born on June 5th, 1684 in Blankenloch
+ died on March 23th, 1737 in Blankenloch
wedding on October 28th, 1710 in Blankenloch
Metz, Anna Margaretha
* born on October 28th, 1683 in Blankenloch
+ died on December 23th, 1735 in Blankenloch
- 3.) The parents of 2.) were:
Lehmann, Johann Jacob
* born in 1651 in Switzerland, from Sur (region of Besh)
+ died ? before 1722
wedding on March 9th, 1675
Scharr, Margerete, she was a midwife in Blankenloch for 23 years
* born on June 13th, 1652
+ died on October 12th, 1722

As far as the professions are given in the church registers, I have told them to you in my records. Up to the year 1810 the parishes are responsible for the genealogy. They only have the church registers at their disposal.

A book about the history of Blankenloch is supposed to come out this very year. It is going to cost 48 DM. On account of possible inquiries in Switzerland, please consult the Suisse embassy in your country or write to the city council of Bern.

I know for sure that the members

of the family Lehmann were Lutherans. Count Karl II. passed an act in the county Baden-Durlach on June 1st, 1556, and so he introduced the reformation of Luther.

I do not know if a family called Lehmann family arms in Blankenloch. But certainly one can establish at the "Badische Landesbibliothek (a library), if there are general family arms of the Lehmans and what they say.

I also do not know of someone inquires into the Lehmans in our region. For my work I request a donation for the restoration of the church registers and also for the translator of my letters. In case you have further questions I will try to reply them.

Your sincerely,

Stutensee - Blankenloch, 30.11.95

Greenhouse owner brought joy to work

By MARK ZABORNEY
BLADE STAFF WRITER

LAMBERTVILLE — Richard Lehmann, third-generation owner of the greenhouse founded the year he was born, who aimed to keep the workplace atmosphere light, died Sunday in ProMedica Toledo Hospital. He was 79.

Mr. Lehmann of Lambertville developed respiratory fail-

Lehmann

ure, family members said.

He came into the Temperance business until recent weeks. He made planting plans said his son, Dave, the fourth-generation owner, and "kept the help busy. He absolutely loved that place."

His wife, Marcia, said: "He didn't want to sit in the chair. He was out there as a child with his grandfather and father and uncle. He decided the greenhouse would be his life, and it was."

His grandfather, father, and uncle — Albert, Irvin, and Walt Lehmann — started the business with about 12,000 square feet under cover. Lehmann Greenhouse now occupies 108,000 square feet and remains a wholesaler — of lilies, tulips, hyacinths, and daffodils around Easter; of annuals in hanging baskets or planters or pots in May; and of poinsettias in December.

Early in a greenhouse career, "you do a little bit of everything — working in the bulb cellar to climbing on the roof replacing glass," said brother-in-law

Richard Parker, active in the business for more than 30 years. In time, Mr. Lehmann oversaw sales and managed employees. Mr. Parker took charge of the crops.

"You probably won't find

anybody more honest," Mr. Parker said. "We tried to make fun of everything. It makes going to work more enjoyable, when you can have laughter."

Their sons, Dave Lehmann and Rich Parker, adopted the same approach to the workplace and drew the same lessons.

"The business taught our sons, if you work hard and apply yourself, you can have some success," Mr. Parker said.

Those who realized they knew Mr. Lehmann when meeting his son often volunteered. "Oh, Dick Lehmann — oh, he's a great guy!" his son recalled. "When you are selling to somebody, people buy from people they like. They don't just buy the product."

He was born June 4, 1939, to Madeline and Irvin Lehmann, and grew up in what is now West Toledo. He was a 1957 graduate of Central Catholic High School, where he played football. He attended Bowling Green State University and served in the Coast Guard Reserve.

Surviving are his wife, the former Marcia Erd, whom he married Nov. 19, 1960; daughters, Lisa Bachmayer and Kathryn Mills; son, David; sisters, Linda Parker and Debra Miller; seven grandchildren, and two great-grandsons.

Visitation will be from 2-8 p.m. Wednesday at the Ansborg-West Funeral Home, Toledo. Funeral services will be at 10 a.m. Thursday at St. Clement Church, Toledo, where he was a member.

The family suggests tributes to the Charcot-Marie-Tooth Association in Glenolden, Pa., or a charity of the donor's choice.

Some of the early settlers remember vividly the cholera year of 1848. Mrs. Angeline Miller says:

"I was born in 1830, and will be 85 in April, and came here in 1833. We first lived in a long house on Water Street, and then over a blacksmith shop. There were many Indians here then. I do not remember the name of the tribe, but they wore rings in their noses. They had tents where the wine cellars are now situated in the west of the city. I lived on Market Street in 1849. The people died like flies. They hauled off the dead on drays, three or four to a load. They buried over one hundred in one trench about three coffins deep, with a few inches of dirt on top. More than thirty died in one day. Many of the coffins were made of unplanned boards, and they set them in the cemetery and left them unburied till the weather cooled off. The cholera filled up the old cemetery in west end so that they ceased burying there after 1849. Many of the bodies were moved to Oakland later. They began to remove the tombstones when the war broke out. One man took some of those tombstones away and made sidewalks out of them. There was one grave left there, a vault that was there in the summer of 1914, and the headstone sat beside it marking where a colored man was buried. My cousin Margaret Doerflinger died of the cholera."

John W. Holland says:

"I was born in 1824, and came to Sandusky in 1832. In the cholera year of 1849 every day looked like Sunday. We went to the country to live for two weeks, then we came back and found the cholera as bad as when we left. This was in July of 1849. Thirty-three died in one

1. History of Baden

In the 14th century, the Zähringer family, who had been margraves of Baden since 1112, owned counties in Breisgau and in the Ortenau, the stronghold of Baden-Baden (Baden-Baden was formerly called simply "Baden"), plus Backnang and Besigheim. In the 13th century, they had acquired Pforzheim, Durlach, Ettlingen and Alt-Eberstein. Further territorial additions and strict administration turned Baden into a considerable state by the 15th century. The division of 1535 brought about the emergence of two smaller states, Baden-Baden, of the Catholic line, and Baden-Durlach, of the Evangelical line. Karl Friedrich (1738/46-1811) reunited Baden in 1771 and inaugurated countless reforms in accordance with the principles of Enlightened Despotism. In league with France, he achieved expansion of Baden from 3600 square kilometers with about 175,000 inhabitants in 1803 to 15,000 square kilometers and almost a million inhabitants in 1810.

The new Grandduchy of Baden (after 1806) received a new government and administrative organization and in 1810, land reform after the French model. The constitution of 1818 and elective legislature were models for early German constitutionalism. The lower chamber was virtually a school for the Liberal-Nationalist movement. In April and September of 1848 it came to rebellion under the leadership of the Left (F. Hecker, G. Struve) and in May of 1849, with the installation of a republican regime, it came to revolution, which Prussian troops had to put down. After the period of reaction, the "New Era", 1860-66, brought an attempt to form a liberal, parliamentary regime (Ministers Lamey, Roggenbach). In 1866 Baden turned back to constitutional ways (Ministers Mathey, Jolly), under Friedrich I (1856-1907) and Friedrich II (1907-18), who reigned with the benefit of Nationalist and Liberal support.

In 1870-1, Baden actively participated in the founding of the new German Empire. The cultural struggle, which lasted until the First World War, reached its peak in the years 1864-76. The great bloc (1905-17) of Liberals, Democrats and revisionist Socialists rose against the Zentrum (Center, the strongest party after 1905).

The constitution of 1919 resulted in annual election of a member of the regional parliament to the state presidency, at the head of the regime (of Baden). Until 1929 the presidency was held by the Zentrum (strongest party), the Socialists and the Democrats.

1939 brought World War II. In 1940 an administrative union between Baden and Alsace, which had been similarly governed since 1933, was formed. In 1945, the north half of Baden came under American jurisdiction, the south under French occupation. In the autumn of 1945 followed, based on American arrangements, the formation of Württemberg-Baden. The south constituted itself as Baden. As a result of the referendum of December 6, 1951, Baden was absorbed into the new state of Baden-Württemberg on April 25, 1952.

30 Attend Kretchman Reunion In Royalton

Thirty immediate members of

family reunion held Sunday after-
noon at the home of Mr. and Mrs.
Martin Kretchman in Royalton
township.

Honored at the event were guests
from Louisiana. They were Mr.

Oakes, of Leesville, and Mrs. Otis
Brown and son, Gar, of DeRidder.

Others attending from out of
town were Mr. and Mrs. Gaylord

and Mr. and Mrs. Clifford Kretch-
man, all of Niles.

"These are vital matters about
which the candidates ought not to
be left in the dark."

After the election, Monroney said
he thinks it will be highly im-
portant for the incoming president
to have as great a part as is
legally possible in framing the new
budget.

"The new president's ideas on
the budget ought to be sought be-
cause that budget is going to play a
great part in the shaping of his
first 18 months of administration,"
the Oklahoma senator said.

Budget Under Way

Work on next year's budget al-
ready is under way and many of
the preliminary figures will be as-
sembled in September. Final de-
cisions on the budget usually are
made by the president late in De-
cember and his message to congress
then is whipped together for de-
livery early in January.

Since the new president won't
take over until Jan. 20, Sen. Joseph
C. O'Mahoney (D-Wyo) said he
thinks the budget message probably
will have to be delayed.

Lost \$500,000 of Credit Firm's Funds At Races

NEW YORK, April 29 (AP).—William B. Benjamin, 36-year-old factory owner, was under arrest today charged with forgery and grand larceny and District Attorney Frank S. Hogan said he admitted defrauding credit firms of more than \$500,000—most of which he lost at the races.

Hogan said Benjamin made \$200,000 legitimate profit during the war years, and used the reputation thus established to swindle his creditors.

Benjamin admitted losing \$36,000 on a single race, Hogan said, quoting the businessman as saying his smallest bet on one race was \$1,500. His worst day at the track, Hogan said, showed a loss of \$46,000.

The attorney quoted Benjamin as saying he also lost \$5,000 in one gin rummy session and \$25,000 on three fights one night at Madison Square Garden.

He has been stationed at Ft. Lewis Wash., Mojave Desert in Calif., Hawaiian Islands, New Guinea, Netherlands East Indies and at present in the Philippines.

Soon, he will be eligible to wear three campaign stars on his Asiatic-Pacific Ribbon, one for the division's action in Dutch New Guinea, one for the "Second Battle of Morotai" and one for the present campaign, for which he will receive the Philippine Liberation Ribbon. For satisfactory performance of his duties during combat, he has been awarded the Combat Infantryman's Badge.

First Lt. Donald W. Manley, U. S. M. C. R., has been advanced from second lieutenant to his present rank, and is now in combat duty on Okinawa as a "grasshopper" pilot, a recent letter informed his parents, the Horace E. Manleys, 1418 Forres avenue, St. Joseph.

Lt. Manley was one of the first Marine fliers to take off from the carriers in the Pacific after the Marine Infantry had taken the first Okinawa airfield.

He writes, "It is very exciting and interesting to see a Jap suicide plane burst into flames. Before a suicide Jap leaves home on his last mission, he is given everything he desires, and attends his own elaborate funeral and is then put in a

After his enlistment at the age of 18, Corp. Balkin received basic training at Camp Custer, then received his overseas assignment in August, 1942. He attended the South Lincoln school, and was employed as a truck driver in Stevensville before his enlistment.

Word has been received from Tech. Sgt. Clifford Kretchman by his father, Martin Kretchman of Royalton, that he has arrived safely in Egypt, and is stationed at an air base near Cairo while awaiting further orders.

Pending his reassignment, Sgt. Kretchman was able to visit the Pyramids and the Sphinx, with a group of other G. I.'s through the agency of the Red Cross, which supplied trucks and guides for the trip.

Sgt. Kretchman, who has been in the army three years, formerly was an instructor in electrical mechanics at Chanute Field, Rantoul, Ill. He has two brothers also in the army, Sgt. Kenneth, with the First Army in Germany, and Pfc. Lester, with the Seventh Army also in Germany.

Mrs. R. H. Ladwig, 534 Howard avenue, has been notified that her son, Pfc. Gerald L. Ladwig, U. S. Marine Corps, was wounded on Okinawa, on April 2. According to the war department telegram, he received shrapnel wounds in the head, but no details are given as to the extent or seriousness of the

Since then, they have participated in three major engagements. Supply sergeant in an infantry company, Rosenthal is fighting on Luzon at present. He holds the Good Conduct Medal and the Combat Infantryman Badge.

Rosenthal has three brothers in the army, all serving overseas.

As a member of the headquarters platoon in an infantry company, Reitz is also fighting on Luzon at present, and holds the Good Conduct Medal and the combat Infantryman Badge.

His brother, Pvt. Alex Reitz, (Infantry) is awaiting orders for overseas duty.

Word has been received by Mrs. Bernard Sir, 837 Broadway, Benton Harbor, that her brother, Pfc. Earl Vanator, is now somewhere in Germany. Pfc. Vanator, who made his home in St. Joseph for 10 years before entering the service two and a half years ago, is in the field artillery, and wrote that he was with the First Army when they crossed the Rhine.

Pfc. Vanator has been overseas since December, 1944, but was stationed in England until recently.

About FamilySearch Pedigree Resource File:

The Pedigree Resource File is a new lineage linked database of records available on compact disc containing family history records submitted by individuals through FamilySearch Internet Genealogy Service. Family information is organized in family groups and pedigrees and includes submitted notes and sources. Many charts and reports can be printed from this data. Each disc contains about 1.1 million names. With the publication of every five discs, a master index for those discs will also be published and packaged with that set of discs. Discs may be purchased individually or as sets.

He

Thanks for all the work you did to put the book together for me. I am sorry we just seem like we can't make ~~it~~ connections so we can talk.

My nephew took my book to have the first 2 pages copied, he lives in Germany ~~at~~ in the town where them people came from. He was going to see if he could trace them any further back.

There were some corrections to be made in our family and also my mother had a sister Anna Walter Kemp she lived in ~~Orange~~ Chagrin Falls Ohio by Cleveland.

Maybe I can call you when I get the book back and tell you

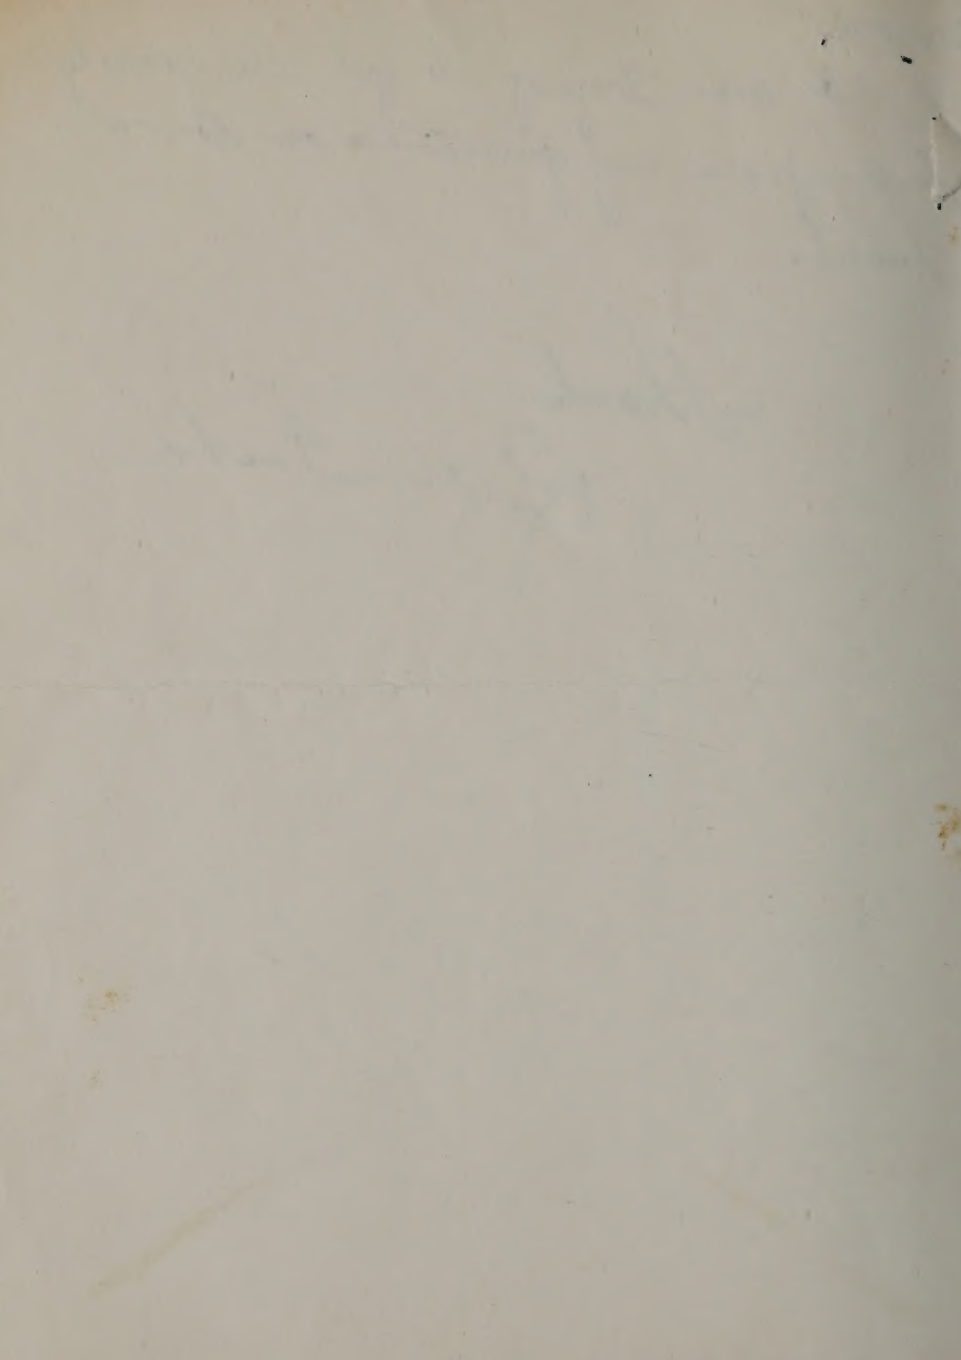

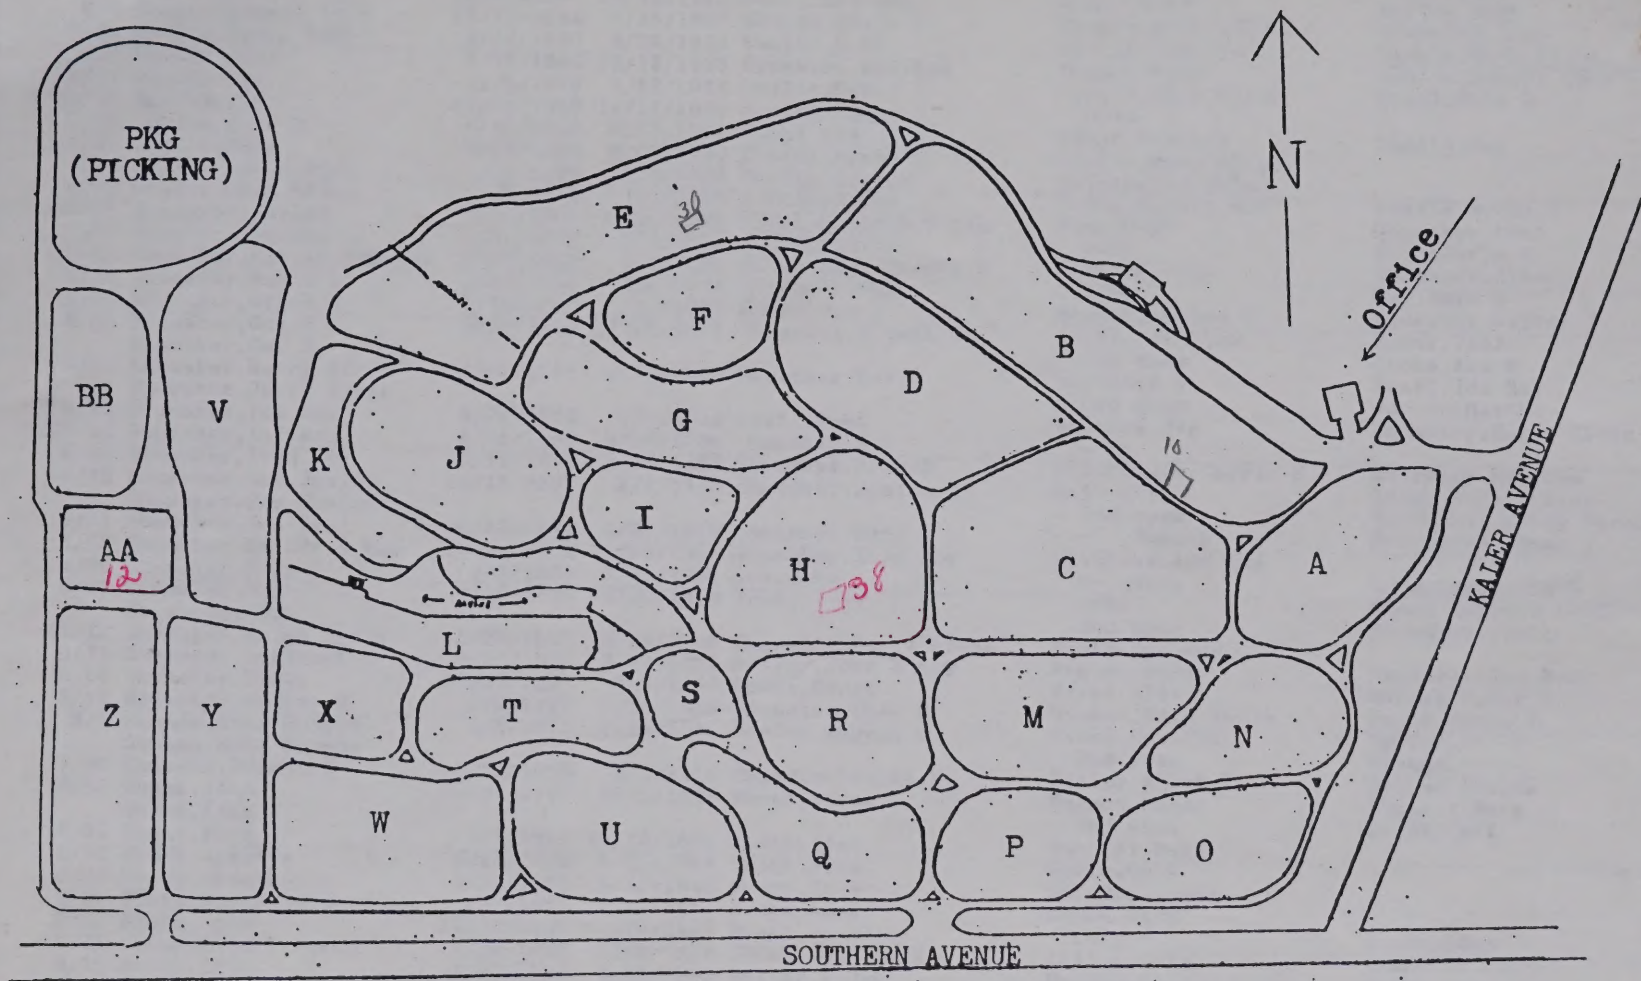

more.

I am trying to get the family
tree from my generation on down
done.

Thanks

Ruth Isaacs.

JAKE'S Goebelt BACK HOME AGAIN

Direct From the War Zone

Had a Thrilling Experience in Getting Away

Jacob Goebelt, of this place, who has been visiting his childhood home in France, succeeding in leaving that country and arrived in Deshler last week. He tells us that he was mighty glad to get home and never wants to go back.

He intimates that conditions over there are a good deal worse than the daily papers gives us, and it makes him shudder to even predict the outcome of the terrible conflict. Mr. Goebelt had a hard time to get away from that country, and we give his experience in his own way of telling it.

He gave a representative of the FLAC a graphic account of the war situation in Europe and says it is a great deal worse than reported by the newspapers as the real facts regarding the situation are not given out on account of the strict censorship. While coming across the ocean a woman passenger wrote the following, which is a copy of the original which Mr. Goebelt prizes very highly and which he will retain, as it gives a description of the manner in which the passengers on the boat reached America.

OUR TRIP BACK TO THE GOOD OLD U.S.A.

On the 30th of July, 1914, we started our trip. We left Bremen on Thursday at 11:45 a.m. on the steamer, The Main. The weather was fine, and we made good time. Everybody on board the ship was as happy as a lark with the thought that they were going back to their homes. But only too soon were their thoughts of happiness turned into sorrow, for as they got into the English channel the next day the ship was stopped and they had to turn back. They would not let them go through the channel on account of war. Back to Germany they could not go so they went to Holland and laid in the coast at Flushing. That was the only place we were safe. The people on board the steamer were sure they were. The look on their faces can't be told. On August the 4th at 7 a.m. we started to go to Auverben, Belgium. The captain thought that perhaps we could go through the coast of Belgium and get out that way into ocean, but before we got to Auverben we were stopped by a warship and we got the news that we had to turn back or our ship would be blown in the air. So we started back to Flushing and got there at 7 p.m. the same day. We laid there with nothing but water around us. Big warships were around us all the time. They took care that our ship would^{not} be shot at, but our lives were in danger every minute of the day and at night. As to sleep, we only got very little, and the people looked more like death than living. On August 5th we were all called to get up. It was 2 o'clock in the morning. All the men that worked on "The Main" were taken off. They were all called to war. There were 107 sailors and 38 officers. Our ship was left without any help. We had enough to eat, but we had to be saving, for the captain did not know how long we would have to stay there. All the people that were able to work had to help. There were a lot of people that took sick and were like they had lost their senses. The taking of the men from our ship was the saddest scene I ever saw in my life. The men were taken from our ship and put in another steamer and then were taken to land. As the steamer left our ship with the men on board the band started to play "Deutschland Deutschland, uber alles und ich hat einen Kameraden." Men and women cried

like babies. As the captain said good-bye to his boys he cried like his heart was broken. On August the 7th all the Germans were also taken off our ship and had to go to war. There were men that left wives and children at home to find their luck in America. They could not say good-bye to their loved ones for they were taken right to the border and had to fight for their Vaterland. There was a brother and sister on board "The Main." The brother was taken and the sister had to stay behind. A Mr. Jacob Gaboelt brought his nephew along. Three sons were also taken from the mother, and Mr. Gaboelt took this one along with him so the poor mother would have one left of her boys. His age was 18 years, but he had to go along with the others. It was a heart-breaking story that never will be forgotten. On August the ninth we got the news that all people that had enough money to pay another fare could go to America, but the ones that did not have another fare had to stay where they were. The look on the people's faces that had enough to pay another fare was a look of joy, but the one's that did not have any money can you guess the look on their poor soul's faces? It was a look of despair. But the next day the captain brought the news that rich and poor had to stay. On August tenth our first officer left our ship to bring help. He went to Belgium, but he did no good there. There they were fighting already. He told us that little children went around with knife cuts in their bodies, and women walked in the streets only half dressed. He then went to Holland, and there he found help for us. He brought the news back that we all would be taken to America on a Holland-American steamer. The news came to us like an angel from heaven. On August twelfth, at 3:05 in the morning we were all put in another steamer, and at 5:00 A.M. we left for Rotterdam. We got to Rotterdam at 3:30 the same day. We were all put in one big building and had to stay there two days and two nights. We had six beds in a very little room. Two had to sleep in one bed. We got in bed by a ladder. The eating was awful and the coffee was not fit to drink, but we all were satisfied, so we only got home. On Friday at 8 o'clock we were all put in the steamer Horden and at 2 a.m. we left Rotterdam. We got to the English channel the next day, and as long as we were in there we were in danger. We went straight to the line where the bombs were laid. A warship gave us a signal to turn back or we would be blown in the air. We turned back and went another way, and got safe in the ocean the next day. On Sunday morning the people got vaccinated. On Monday most of the people were seasick. On Tuesday the rich people from first and second class were throwing pennies down to the poor children, and while they were busy picking them up a lady from the first class took a picture of them. On Wednesday we saw the tail of a whale. On Thursday and Friday we had a big storm. The ship was rocking awful. No one could be on deck. On Sunday or Monday we will get to New York. That will be a happy day. We all will be happy, but never will we forget this trip as long as we live.

Wittenberg-Dennison Game Thanksgiving Day

Springfield, O., Nov. 18.—"We are going to show the football fans of Ohio the greatest fighting team that ever played on an Ohio gridiron. We are going into that game to do or die." Such was the statement issued by Coach "King" Godfrey of Wittenberg concerning the Wittenberg-Dennison football game which is to be played at Zimmerman field, Springfield, Ohio, on Thanksgiving Day.

This game will be the football classic of the Ohio conference this year. Dennison and Wittenberg are ancient rivals. Two years ago Wittenberg defeated Dennison 19-0. Last year they played a 7-7 tie.

Neither Wittenberg or Dennison has lost a game this season. Both have played a hard conference schedule. The coming Thanksgiving game at Springfield will be a battle for state championship.

In eight games played this season Wittenberg has scored 275 to opponents 23. In six Ohio conference games Wittenberg has piled up 174 points.

By Thanksgiving the entire Wittenberg team will be in shape for the game. The injured members of the squad are recovering and Wittenberg will go into the big game with all her regulars in the line. Football lovers are sure to get their hearts desire of football strategy, generalship and open playing in this game.

Wittenberg athletic officials are preparing for the greatest football crowd of any Ohio conference game this season. It is expected that 20000 people from over the state will see the game.

REJECT LIGHT PLANT BIDS

(Special to The Daily Forum.)

Shelby, Nov. 18.—The board of public affairs have rejected bids made to the village council for the equipment of the light plant with new boilers and other improvements. A new resolution will probably be prepared by the board in which it will be recommended that the council issue bonds to purchase equipment to install high tension lines in Shelby. If this recommendation is acted upon a special election will probably be called.

The decline in pork prices has been greater than on beef although the live stock markets do not indicate it. Hog prices have not declined anywhere near as much as cattle but the question of hides does not enter into the situation.

One firm which operates two markets in Bucyrus announced Thursday morning a price of 36 cents per pound on smoked hams if purchased whole or 40 cents sliced. Ten days ago hams of the same quality sold at 45 cents per pound. Pork chops that retailed at 45 cents are now retailing at 33 cents. Fresh side meat has been cut from 30 to 25 cents per pound. Lard is still retailing at 23 cents per pound by the single pound or 20 cents if bought in quantities of 25 or 50 pounds.

Mutton for stewing purposes that sold a few days ago at 30 cents per pound is now retailing at 20 cents. Mutton chops have been cut from 50 to 40 cents per pound and so on down the line with the exception of legs of mutton which remains around 45 cents per pound depending greatly on how it is cut.

Make Application For Victory Medals at C of C

Arrangements have been made by the Bucyrus Chamber of Commerce to assist ex-service men in securing their Victory medals, which are being given out as a reward to the men who served in the world war. In order to avoid having to send the discharge papers to Toledo a blank form is being provided which must be filled out. It will be necessary for ex-service men to bring their discharge papers with them to the Chamber of Commerce and make out the application forms.

Clerk of the Courts John S. Cleaser is unable to make out the commitment papers without them.

Just what Sullivan's object may have been in going to Columbus and calling the sheriff from there stating he was ready to go is a matter of conjecture but among some of his friends the opinion is given that he probably wanted to avoid as much as possible coming into contact with his friends and associates here.

When seen Thursday afternoon Prosecuting Attorney Chester A. Meek stated that he would insist upon Sullivan being brought back to Bucyrus by the sheriff and taken from here to Columbus to begin his sentence. "It is the regular procedure," said the prosecutor, "for a prisoner to be taken to the penitentiary from the county in which he was convicted and I will insist that the proceedings be regular in every respect."

ing Erected--Other
R. R. News.**

Coal Loading Machine.

The Toledo and Ohio Central railway this week began the erection of the immense new McMyler coal loading machine at the Toledo docks. The new machine will be a duplicate of the one erected last year at the Hocking Valley docks and will be ready for use the coming season. It will have a capacity of 10,000 tons of coal every ten hours and will handle any size car. Heretofore the unloading machines at these docks have not had the capacity for the new 50-ton cars of the system, but after this season the unloading machines will be able to handle any cars which the operators may send them.

Doing Good Work.

The big passenger engine, No. 7067, and known as "Fat Annie," which spent nearly a year on the western division, being transferred to the eastern division four or five months ago, is doing excellent work in pulling big passenger trains now, according to the reports. This big engine performed badly the first few months she was in service, but she has "her bearings" now and is said to be giving little or no trouble to the men who handle her.

Last Excursion.

The T. & O. C. ran their last Sunday excursion of this season to Toledo Sunday. There were 59 passengers from here to Toledo and 25 for intermediate points. The train will continue to run on Sundays during the winter, but the regular rate of fare will be charged.

Has Returned.

Burt Young, a dispatcher at the T. & O. C. offices, who has been visiting relatives at Piqua, O., has returned home and will report for duty Wednesday.

Three preceded their mother in death. The living are Will Schaad of Bucyrus, Mrs. Emma Winner and John Schaad of Deshler. She was married after her husband's death to Lawrence Myers, from whom she was later divorced. They had one child which died when young.

Besides her children Mrs. Schaad is survived by her aged parents, five grandchildren, one brother, Peter Walter of Bucyrus, and two sisters, Mrs. Eva Pratt of Bucyrus and Mrs. Lizzie Goebel of Deshler. There are also many more distant relatives and a host of friends who sorrow for her death.

She was baptized in infancy, and at the proper age was confirmed in the German Reformed church. She was an excellent Christian woman, ever ready to do a kindness for anyone in need. She was a good daughter, a loving wife and mother, and filled well her place in the world. She has been called into rest, and the sympathy of all goes out to those who mourn.

The company is now working twelve men and just as soon as the new machinery and forge are installed twelve more men will be put to work, making twenty-four in the employment of the company.

Since the increase in capital stock took effect which was on January 24 of this year the old stock holders have doubled their holdings showing the confidence they have in the company. The earnings of the company for the year 1912 amounted to \$10,000 and the year 1913 will see this doubled many times.

The company is now offering ten thousand dollars worth of the stock for sale at par value. The shares are fifty dollars each and they expect to dispose of this stock in a short time. and Paul Hartman, 19, both of Mc-Clure.

According to Sheriff Bartels and Deputy Paul Leifer who were called to the scene of the accident, both cars were doubtless traveling at high speed when they came together.

Peterson was killed instantly and his body taken to the Dubbs Mortuary in Deshler. All the others were injured and brought to Heller Memorial hospital. Gordon injuries were minor and he was soon released. Helmke suffered a sprained back; Shepard was treated for cuts on head and leg bruises; Hartman's nose was broken and in addition, cuts and abrasions; Allen suffered concussion and painful cuts and bruises.

Lawrence Peterson was the son of Mr. and Mrs. Benjamin Peterson of Deshler.

Services were held in the Dubbs Funeral Home Wednesday afternoon at 1:30 and in St. John Lutheran church at 2 o'clock. Burial in the church cemetery.

Mr. Ward and Edward of Continental, barely escaped injury when the car shot off the embankment, narrowly missing them as they stood in Mr. Ward's front yard. Mr. Rheese, with his wife, had been visiting. Mrs. Ward, suffered severe cuts from flying glass.

Witnesses Ward and Rheese stated that they first noticed the car as it passed the water works, turning on the wrong side of the road. They also stated that the car apparently skidded as it approached the Ward home, causing loss of control.

The Boyer-Walker, Ann, was summoned and rushed to the hospital where she was pronounced dead upon arrival. Internal injuries are believed to have contributed to his death.

According to police, William, a passenger in the car, was under the influence of alcohol and could not give a statement regarding the accident. Police officers found William Bales service station, ward Defiance. He was in the city jail overnight for questioning.

Bohn's death marked a traffic fatality occurring in the past three years.

He is survived by his mother, father, Mr. and Mrs. Joseph Defiance, and was a veteran of World War II. The body was taken to the Mansfield Funeral Home for funeral arrangements.

The Ohio Legislature was told June 7, that the lives of 320 handicapped children at the Ohio State School for the Deaf are in such danger that "the citizens of Ohio would be shocked if they understood the full scope of the fire hazards there."

Conditions at the Deaf School in Columbus were described in a letter to members of the Legislature from Dale Stump, Columbus attorney who represents the Ohio Federation of Organizations of the Deaf. He urged the Legislature to appropriate enough money so that new buildings could be provided immediately.

Students at the school include Alfred Ruetz, son of Alfred Ruetz, 241 Yeager St., Napoleon.

Citing the Deaf School as one of the worst firetraps in the nation, Mr. Stump said that plans for a new school have been stymied for more than 20 years because the Legislature has not provided enough money to replace the ancient buildings.

Mr. Stump said that \$2,800,000 which Governor Lausche has recommended be appropriated for a new Deaf School, is wholly inadequate.

"Since 1943 there has been this amount of money available for building a new Deaf School," Mr. Stump told the Legislature. "The state commission charged with building a new Deaf School has never been able to carry out its building program because this sum is inadequate."

"The present buildings are nearly 100 years old and are in such deplorable condition that they have been repeatedly condemned for many years by the state fire marshal's inspectors. The present buildings constitute a real menace to the lives of the students and a very real emergency to the State of Ohio."

frequently in Napoleon, but late will be her first concert appearance since her return from the University of Michigan where she studied voice and musical theory during the past two years. Miss Haase has a delightful voice and she uses it well. Among the four rather brief numbers with which she has chosen to open her two groups is one especially deserving of mention—"The Willow Tree" an old English folk song arranged by Ernest Farrar. To close her groups she has made the happy choice of two very lovely arias, the first "Che Faro Senza Euridice" from Gluck's "Orfeo", and the second "Le Parlate D'Amor" from Gounod's famous opera "Faust". These will be sung in Italian.

Mr. Huddle plans to play a Mazurka of Merill's to open his group which also includes a von Weber "Concertino", the "Adagio" of Louis Spohr, and a brilliant Polonaise by A. Gebhardt. This is Mr. Huddle's first appearance in concert but he has played a number of solos before various local clubs and shows a great deal of promise.

The accompanists will be Miss Frances Clymer and Miss Mary Pontious. The recital will be phonecast as usual to Napoleon, Wauseon and other nearby towns. Remember it begins promptly at 4 o'clock.

Finger Is Amputated

The first finger on the right hand of Perry Jennings, farmer residing southeast of Napoleon was amputated Saturday following a naccident which occurred while Jennings was operating a buzz saw.

While sawing wood, the operators hand slipped against the saw and the hand was badly cut and torn. Medical attendants deemed the amputation necessary following the mishap.

Mourn Knute Rockne

Napoleon, along with the rest of the country joined together in mourning the passing of Knute Rockne, Tuesday, who was killed with seven others in the crash of a transcontinental air liner near Bazaar, Kansas.

Rockne, the Notre Dame football genius had become widely known because of his connection with the gridiron sport at the South Bend institution. Rockne because of his strong personality and desire to keep the sport clean was loved by thousands and thousands of fans over the country, who had never had the pleasure of meeting the man or even watching his teams in action. The impress of his personality and genius on the game will last for years. Rockne was a talented speaker and

The board has been decided that a United States Veterans' Hospital is to be located somewhere in Northwestern Ohio. And folks in Napoleon would like to have this hospital located somewhere near their town. They feel that the banks of the Maumee river furnish hundreds of beautiful sites that would be appreciated by the buddies who are fighting to regain their health.

The Burt Taylor Legion Post at Napoleon, together with other veterans of the World War are leading the fight to bring the hospital to us. They are being joined by local civic organizations and citizens in general.

Let us all join with the World War Veterans and do everything in our power to land this hospital.

We lost the State college which has meant so much to Bowling Green because we were not on the job—let us offer our services to the Legion today!

Two Held On Suspicion

Albert Fahrner and a woman companion were picked up near Napoleon by Sheriff Geo. Bowerman Monday and held for Toledo police, to be questioned in connection with a holdup in that city, Saturday night.

Officers Tatfelaski and Eckerman of the Toledo detective squad came to Napoleon late Monday to return the suspects to that city where they were to be questioned.

H. E. Reese, attendant at a Toledo filling station was to be called upon to view Fahrner and the woman for identification purposes, press reports from Toledo said. Reese said he was held up and robbed by two women and two men. The thugs secured \$25. Toledo police said they were holding another man in connection with the Saturday night robbery, who had confessed to six other filling station stickups.

The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me. Thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

Dear Helen,

Your information on the Walter/Lehman family far exceeds any I had ever found. Thanks. I'm afraid my research was far less complete, and not well documented.

All four of us were born in Napoleon; I was born upstairs in the house Harry still lives in, a result of my mother's falling down the stairs the night before!! The other three, I believe, were born in Heller Memorial Hospital.

I've enclosed birth dates for Bill and Carole, but I don't remember Sharon's. She and Harry were divorced in 1965; their daughter, Tracy, lives in Napoleon, and probably has it. Ben's wife Carole died of cancer shortly after her 50th birthday.

I've been a housewife and mother most of my life, with a couple office jobs at times. Harry has been on disability leave from Campbell's Soup in Napoleon - I believe he was a forklift operator. He has emphysema, probably from years of smoking, and is very overweight (we've inherited this tendency from both sides of the family, my mother's mother and grandmother also being very overweight). He likes to read and leads a pretty sedentary life. Karen is an R.N. at Akron General Hospital and likes her work very much. Ben works in one of the Social Security offices in the Cleveland area. He has just stepped down from an administrative job to relieve some of the stress associated with the work and is looking forward to retirement.

All of us like to read; Ben, Karen and I like to play golf, and we enjoy golf tournaments, in person when possible and on t.v. otherwise. They all like football, which doesn't appeal to me, tho Bill and our kids are avid fans. I think we all have a pretty good sense of humor, but for the most part, are not really alike in very many ways.

I've reproduced my chart for the Walter-Feller section; most of my information probably came from Mary Walters and is just word of mouth.

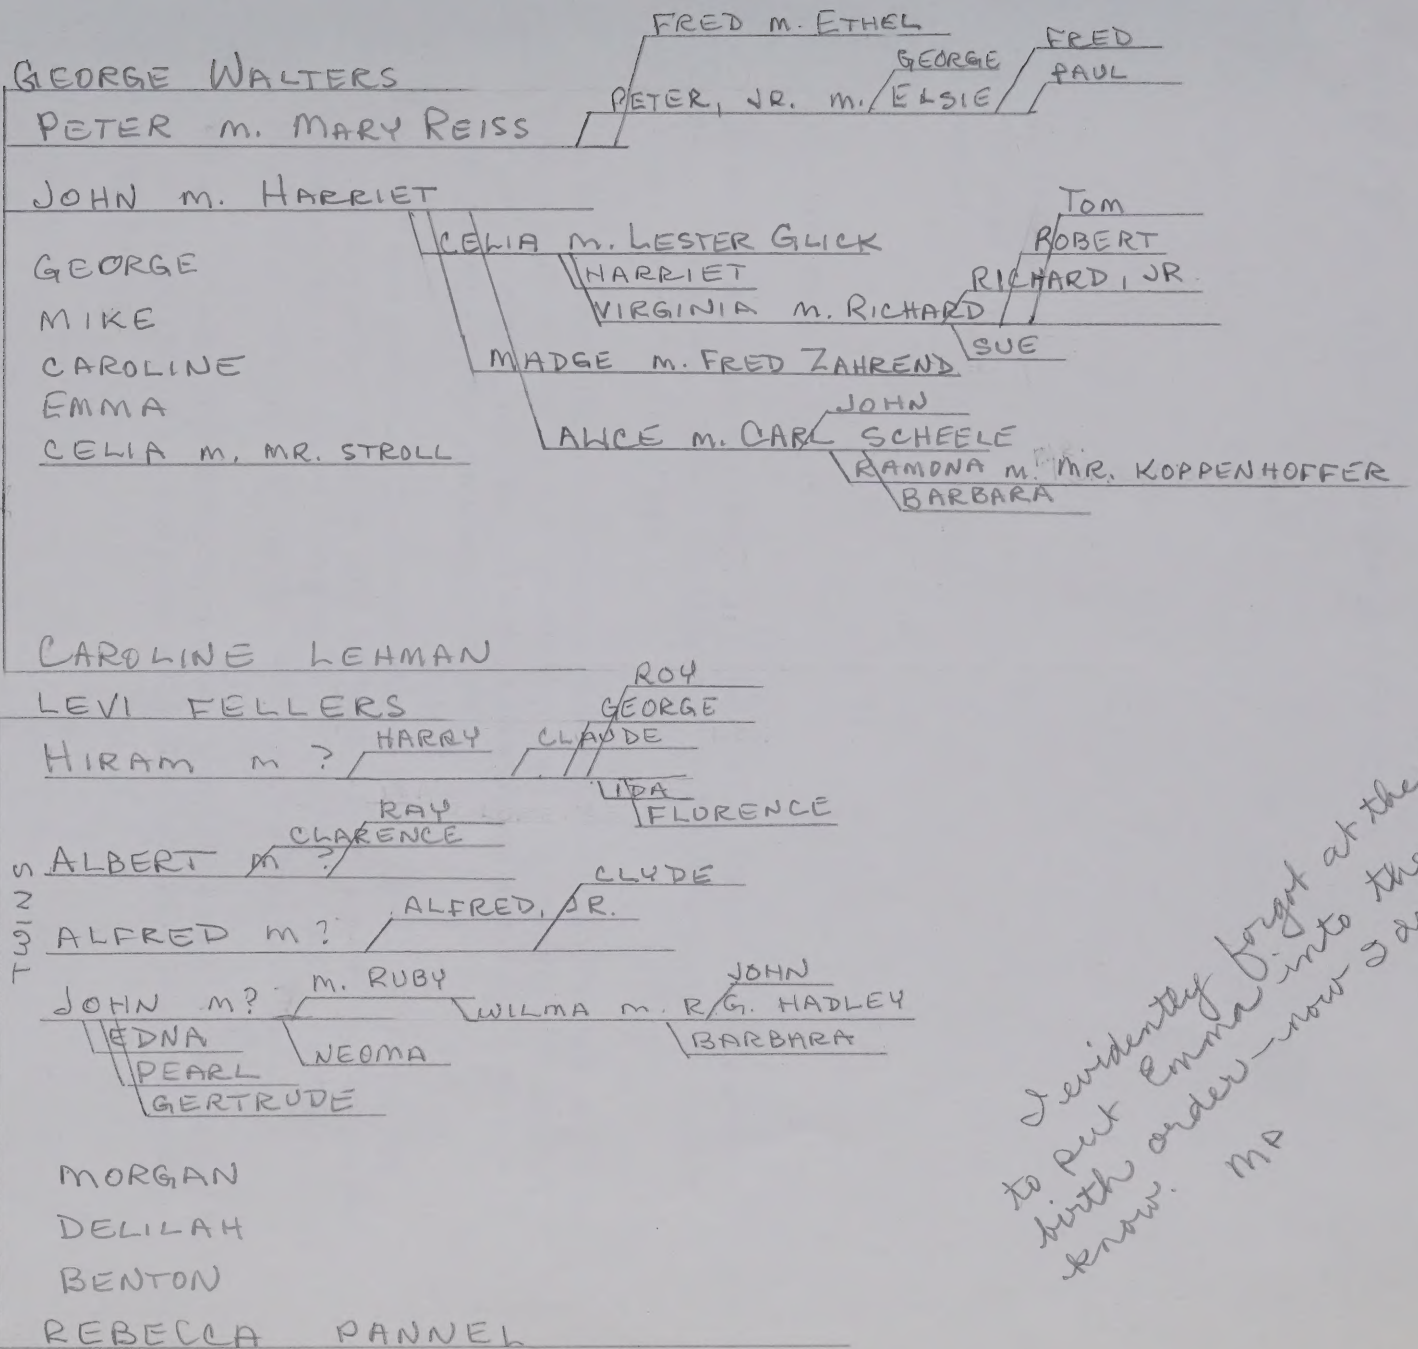

I don't know the Goebelt family; I do know there were Glicks, Scheeles and Strolls in and around Napoleon when I was growing up. I would guess most of the family graves are in Forest Hill.

I hope all this has been of help to you. I've enjoyed going back over my material again; I think I'll check out the cemetery the next time I get back there!

Sincerely,

Mazine

P.S. Sorry to take so long with this.

I evidently forgot at the time
to put Emma into the
birth order - now I don't

Dear Mrs. Read,

As you may have realized by this time, my brother has neither knowledge of nor interest in genealogy. Because of a high school English assignment, I developed an interest, if not a lot of knowledge.

The date of my grandparents' marriage is vague because my grandmother was a school teacher at the time, and the marriage was kept secret so she could continue teaching. As you may already know, teachers at that time could not remain on the job if they were married -- at least, not in Napoleon, Ohio.

I haven't been able to trace the Fellers/Walters side of my family any further than George and Caroline Walters (b. 1828 and 1833) and Levi and Rebecca Pannel Fellers (Fellows), who were married September 17, 1855 in Henry County. I would appreciate any information beyond that which you are willing to share.

I'm sorry about the delay in responding to you; your letter went from Harry to Karen to me. I hope some of this is helpful to you, and doesn't just duplicate what you already have.

Yours truly,

Veteran Was County Sheriff Two Terms

Major Harry R. Lowry died Tuesday afternoon at two o'clock in Heller Memorial Hospital. His death, which shocked the entire community, came as the direct result of a paralytic attack which occurred Monday morning. He was an employee of the Napoleon postoffice and when he did not appear at the office Monday inquiry was made at his home where he was found lying unconscious on the floor of his bedroom. A severe stroke of paralysis had caused him to fall, striking his head so sharply that he lapsed into unconsciousness.

He was given medical attention at once but from the beginning there was little hope of his recovery. Monday night he was removed to Heller Memorial Hospital where he rallied for a short time under oxygen treatments. A relapse followed however, and he passed away the following afternoon.

Major Lowry was one of the outstanding men of the community, he served two terms as Sheriff of Henry County, following his honorable discharge from the United States Army on May 3rd, 1919.

His war record, which is remarkable, extends back to the Spanish-American war when he served with the regular army in Cuba. At the close of this war he went with the army to the Philippine Islands. During this period of service he was made a Sergeant. After his honorable discharge, following the return from Philippines, he joined the local post of the state militia, then known as Company F. Here he received his commission as Captain which rank he held throughout the quarrels on the Mexican border where he saw active service for the third time.

On July 6, 1916, he re-enlisted in the Federal army at Camp Willis, near Columbus. Two years later on June 21, 1918, he sailed for Europe with the first American troops to touch French soil. Soon after the beginning of his service abroad he was raised to the rank of Major of the 147th infantry of the A. E. F.

He fought in the battles of Meuse-Argonne, St. Mihiel, Ypres, Lys and in Alsace Lorraine.

He was decorated for bravery with the War Cross of Belgium and with one gold service chevron.

His war record ends with his honorable discharge from the army at Camp Sherman on May 3rd, 1919.

Full military and Masonic rites will be solemnized for Major Lowry at the Methodist Church Sunday afternoon at two o'clock. Both Company L, and the Masonic Lodge will be in attendance.

Mr. Lowry leaves a wife and three children, Benton 18, Russell 16 and Dorothy 6. His father F. W. Lowry resides west of Napoleon. He is also survived by two brothers, Earl of Wyoming and Tracy of Toledo.

Mr. Lowry was 49 years old at the time of his death.

30 Year Old Resident Passes Away At Home Following Stroke Of Apoplexy

Mrs. MaMry Fronk, well known resident of Napoleon passed away at her home on Washington street, Tuesday morning at three o'clock. A severe stroke of apoplexy caused her decease. Mrs. Fronk was born in Ohio on May 7th, 1850.

She leaves four daughters: Mrs. Anna Bower, of Newell, Mich.; Mrs. Elizabeth Meekus and Mrs. Harry Houschack, of Jewell, O.; and Mrs. Charlotte Costello of Toledo; and three sons: William, of Napoleon; Charles of Jewell and Ray, of Detroit.

Funeral services will be held in St. Augustine's Catholic church at nine o'clock Friday morning. Interment in Michael's Ridge cemetery.

Young Couple Reveal Secret Marriage

After keeping their elopment in comparative secrecy since the first of the year two of Napoleon's very popular young people announced last week that they were married in Ottawa, O., on December 31st.

It was a complete surprise to the friends of both Miss Margaret Wahl and Mr. Junior Frost to learn that the two young people were wed in the Presbyterian parsonage at Ottawa on New Year's eve by the Rev. Mr. Patton.

Mr. and Mrs. Otto Hurst were present at the ceremony.

Mrs. Frost will continue her studies at Bowling Green State College until June when she will receive her teacher's diploma. The bridegroom is employed in Durr & Beck's grocery here. The young couple will make their home in Napoleon.

Exchange Club

The Napoleon Exchange club was addressed, at its regular meeting Tuesday night, by the Rev. Mr. Kenneth D. Leary, of Maumee. He spoke on the meaning and function of the Exchange club in its community. With him, and among the many other guests, was Mr. Eckenrode, of Toledo, well-known Exchange Club worker.

About twenty-five members were present. Mayor Fred Sattler spoke briefly on civic enterprises and particularly on help of the needy which has been one of his chief tasks while in office.

Donald DeTray played a cornet solo, accompanied at the piano by his sister, Miss Helen DeTray.

The club is starting a membership drive and plans to stage a lively contest during the next half dozen meetings. The members signified their willingness to co-operate with local business men in their effort to get in close touch with the farmers of nearby lo-

In A Few Weeks

Secretary Okee Palmer, of the Kiwanis Club has received a letter from Col. Arthur Wood, who is at the head of the government committee to aid unemployment. The letter was in reply to a resolution passed a week ago by the Kiwanis Club, which resolution endorsed the stand of the committee in endeavoring to get the work on public buildings under headway and asking that immediate action be taken on the Napoleon new postoffice building.

In the letter Col. Wood informed the Kiwanis Club that plans for the government building at Napoleon had been completed and specifications for the contract were being prepared. He further stated that it would take about six weeks to complete these specifications and as soon as they were ready the contract will be advertised and awarded to the lowest and best bidder.

Postmaster Curdes was present at the Kiwanis meeting when the letter was read and said that he had received word from Washington along the same line as the Col. Wood letter.

This is great news for Napoleon and the boosters who have been working for over fifteen years to get a government building on the site owned by it at the corner of Scott and Washington streets. Not only will the new postoffice be a wonderful improvement in the perspective of the business section of the town but the resulting work on the new building will give employment to a number of idle laborers in this section for several months. May Col. Woods' letter prove true in every particular and Spring see the government building under headway.

Student Stands High In Tests

George Crawford, a former student of the Liberty Center high school, is making fine progress at Ohio Northern University. Mr. C. L. Bard, principal of the Liberty Center high school, received a letter from the Director of Teacher Training at Ohio Northern stating that Mr. Crawford had made the second highest score in the Entrance Achievement Test in English, scoring 175. The winning student scored 176. The average test score of 2787 college freshmen in widely scattered schools in this section is 94.

While a student at Liberty Center, Mr. Crawford made a fine record as an athlete, being named on the all-league football team besides winning several track events. Last May he took second place in the all-state chemistry examination sponsored by Wittenberg College, Springfield, O.

Dear Goebelt, Lehmann, Walter(s) Relatives,

Accompanying your Goebelt Reunion announcement, I am sending a copy of the master address list used to notify relatives of the annual reunion. I need to have you do several things with this list:

1. Check the name and address of all of your family members for accuracy of data, especially zip codes.
2. Add the first name to all family members if the name is listed only with initials.
3. Add the names and addresses of any additional family members to whom you wish to have reunion announcements sent.
4. If you do not plan on attending the reunion this year, please return your corrected master list - or a copy - to Betty Minneman whose address is at the close of this letter, or e-mail corrections to me at the e-mail address found below.
5. If you plan on attending this year's reunion, please invite additional family members not on this list and bring the master list to the reunion so your additions and corrections can be added to my master list.

Thank You. I am looking forward to seeing you August 19, 2001.

Sincerely,

Corresponding Secretary

Bill Introduced for P. O. Building for Napoleon.

Congressman C. J. Thompson has introduced the following bill in Congress, which provides for the erection of a government building at Napoleon on the postoffice site which has belonged to Uncle Sam for some years. It will be noticed also that the bill provides that the building complete shall not exceed the expenditure of \$65,000. The bill introduced previous to this one set aside the sum of \$35,000 for the building complete. That was before the world war, when building material and labor was much cheaper than it is now.

This is about the fourth bill that has been introduced providing for a new postoffice building at Napoleon, and it is to be hoped that it will fare better than the previous bills, and that the government can see its way clear for the erection of the new building. The following is a copy of the bill which was introduced March 27th, 1922:

"Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, that the Secretary of the Treasury be, and he is hereby authorized and directed to erect a suitable public building, including fireproof vaults, heating and ventilating apparatus, and other necessary appurtenances, for the use and accommodation of the post office and other Government offices at the city of Napoleon, Ohio, on the site already purchased and owned by the United States for such purposes. The plans and specifications and full estimates of said building shall be previously made and approved according to law, and shall not exceed for said building complete the sum of \$65,000, which sum is hereby authorized to be appropriated for said purpose out of any moneys in the Treasury not otherwise appropriated."

Mr. Thompson has also introduced bills providing for the purchase of post office sites in Bryan and Wauseon.

Council Meets.

Saddened by the death of their fellow-member, the village council transacted only the necessary business of reading minutes and allowing pay rolls at the regular Monday evening meeting. Adjournment was made until next Monday evening when Councilman Moudy's successor will be appointed.

To Address the Red Cross at Toledo Friday

The regular monthly meeting of the Board of Directors of the Henry County Chapter of the American Red Cross was held Monday evening, at 7:30 p. m. at the new Red Cross office on Washington street. A large number of members were present, and a great deal of business was transacted. People throughout the county would be greatly interested in Red Cross matters, could they attend one of these meetings and see the earnest interested members of the Board discussing the best ways and means of handling the vital important matters, relative to the Red Cross work, which concern the ex-service men and their families and other cases of relief, brought to the attention of the Red Cross.

Major Lowry, as chairman of the Chapter, has been requested to give a talk on Home Service at the conference to be held in Toledo, Ohio, Friday, April 7, 1922.

The Red Cross Division Headquarters have paid Henry County a high compliment of announcing that the Home Service work demonstrated in Henry County is pointed to with pride throughout the Lake Division, and they have, therefore, requested that a representative of the Henry County Chapter tell of the Home Service work at this conference in Toledo.

The following report is of the work done during the month of March by the Home Service Department in Henry County:

Total number of families dealt with during the month, 104; 22 of which were new.

Total number of services, 359; 242 assistance services, and 117 information service.

12 new claims; 5 new approvals for Section 11 Training, and 3 placements in training.

Total amount of compensation, first payment checks, \$1864.94.

Members of the Red Cross throughout Henry County are urgently requested to attend the conference in Toledo, Friday, April 7th, and are further requested to telephone or otherwise notify Cora M. Sweinhagen, Secretary, Major H. R. Lowry, chairman, or Hon. D. D. Donovan, chairman of the Home Service, if planning to attend the conference, so that lunch reservations may be made with the Toledo Chapter.

This conference will be a noteworthy event, and anyone who has been interested in the Red Cross in the past, or who is now interested, should attend the conference.

Roll Call Report.

The final report of memberships and donations to the Henry County Chapter of the American Red Cross follows:

It is lamentable that so great and necessary an organization as the County Chapter of the Red Cross should be so poorly supported; it is deserving of backing, and a financial support of every man and woman in the county, and has justified itself in the most splendid record of service.

It may be that some people who might have contributed were overlooked in the soliciting, and it may be that some who were solicited, did not feel the responsibility of the privilege of becoming a member, but for whatever reason, the returns are not what they should be. This report in detail is submitted for the earnest consideration of the fair minded people of Henry County, who must feel that someone, and large numbers of people, have somehow failed in their discharge of a public duty.

The total number of \$1.00 Annual Memberships is 865, for the entire county. The total number of \$5.00 memberships is 4; making a total number of Red Cross memberships in Henry County of 869. These memberships are as follows:

Town or Township	Members
Deshler	36
Holgate	21
Flatrock Township	42
Florida	25
Malinta	22
McClure	100
Greilton	22
Hamler	13
Harrison Township	6
Liberty Center	3
Liberty Township	4
Freedom Township	4
Ridgeville Cor. and Ridg. Twp.	54
Napoleon and Napoleon Twp.	517

The total amount of money received in the county was \$900.00 of which \$865.00 were for annual memberships, \$20.00 for contributing memberships, and \$15.00 donation.

Out of each membership of \$1.00 50c is sent to the National Headquarters, and out of each contributing \$5.00 memberships, 50c is sent to the National Headquarters, so that membership fees to the amount of \$434.50 were sent to the National Headquarters, and there remains in the Henry County Chapter, \$465.50.

Rax helps BB/BS

Big Brothers/Big Sisters of Henry County will be paying special tribute to its volunteers and supporters during National Big Brothers/Big Sisters Appreciation Week, February 16-22. Activities throughout the week-long salute will also be directed toward recruiting new volunteers to bring needed adult friendship to the girls and boys now on the Agency's waiting list which continues to grow.

Nationally, only 4% of the nation's households are traditional - the father works, the mother does not and there are two children. The growing number of single-parent families - 25.7% of all families in 1984 - can be expected to create demand for Big Brothers and Big Sisters that compound an already critical need. The BB/BS Appreciation observance is celebrated each year by special event held by each of the more than 460 local BB/BS agencies serving some 100,000 of America's children.

In Napoleon, Rax Restaurant is helping to celebrate by donating 10 cents from each soft drink purchased today, Feb. 18, to BB/BS of Henry County. "We're proud of our volunteers, and we welcome the opportunity to thank them publicly," says Executive Director Lucine Ruby. "Their friendship enriches the lives of several of Henry County's children, most from one-parent families."

Good n record hig

(UPI) - Record high levels
of Lake Erie are good for
producing power, helping
shipping and sending more
water over Niagara Falls,
but at the same time, the
waters erode beaches, pose a
threat of floods and damage
the shoreline.

Those are the findings of
Ohio State University of-
ficials who note that in 126
years, the water level has
never been as high as it is
now. And it is expected to
remain high through June,
says Frank Lichtkoppler, an
Ohio Cooperative Extension
Service district specialist
based in Painesville.

At the first of the year, the
water level was one foot
higher than a year before
and by the end of June it is
expected to be six inches
above the record 574 feet
established in 1973.

An OSU civil engineering
professor says there is little
that can be done to reduce
property damage from the
high waters.

Rain wor

By Greg Burke

(UPI) - The deluge in the
West began its second week
today with no end in sight to
the wind, snow, rain and
floods that have cut off
towns, shut down roads,
knocked out power and
forced thousands of people to
flee from their homes.

At least 15 people have
been killed in flooding, mud-
slides, avalanches and high
surf spawned by a series of
storms that began Feb. 12.
More than 8,000 people had
fled from floods in northern
and central California, and
other evacuations were
reported in Nevada and
Colorado.

Heavy, wind-whipped rain
soaked the northern and
central California coast
today, snow pleted the
mountains to the east, and
the National Weather Ser-
vice said developing tropical
storms were backed up deep
into the Pacific Ocean.

"We're not going to see any
end of this in the foreseeable
future," said NWS forecaster

But do you know about the other free travel aids you can get for the asking? Here are the contents of a typical, free, vacation touring kit, custom-made for any trip you want to take.

First hunt of season at park draws protests

SANDUSKY (UPI) — About 20 animal rights activists held a spirited exchange with hunters at the first of 10 controlled deer hunts at NASA's Plum Brook Station near Sandusky Friday.

The Department of Agriculture, citing the limited amount of food available to the deer inside the fence, is granting permits to hunters as a way of thinning the size of the deer herd in the confined 5,414 acre site.

Donna Robb, a vice president for Cleveland's Network for Ohio Animal Action, said natural

processes, such as starvation, should be used to reduce the herd size.

"This isn't a hunt for the good of the deer, it's simply hunters looking for a big trophy," Robb said. "The deer should be allowed to thin themselves out through the natural processes, such as starvation."

Some members of the hunting group said hunting was a scientific tool to stabilize the wildlife population.

Hunting has been permitted at the site for years.

"He enjoyed the afternoon out."

No figures were available this morning on the amount of money raised. Another benefit is planned for Saturday, Nov. 17 at the Napoleon AMVETS Hall.

which been mentioned as a condition for a higher rate — was not one of the conditions, Darman said.

"We would very much like to have had capital gains on satisfactory terms," the budget director said. "It does not appear to me that that will be negotiable. We will have to wait for another day."

The competing proposals seek to reduce the deficit by \$40 billion over the fiscal year that began Oct. 1 and set up the means to cut the spending-revenue gap by \$5 billion over five years.

"In order to get a plan that can pass the House and the Senate, we got to move in the direction of being fair in terms of taxes," Gephardt said.

Mitchell said the final plan would probably have a gas tax increase compromise between the zero in the House bill and the 9 cents per gallon in the Senate plan.

He also said cuts in Medicare, a major non-tax item of contention — would come out somewhere between the \$42 billion in the House version and the \$49 billion in the Senate version.

**Dangerous Dynamite Gets In Its Deadly Work On
The Geo. Gunn Farm On Tuesday Morning.**

ELZIE TEEPLE OF NAPOLEON FATALLY HURT

Elzie Teeple, known to everybody as Dick Teeple, a resident of South Napoleon and a brother of Marshal Clark Teeple, came to an untimely end on Tuesday while blowing stumps with dynamite on the Geo. Gunn farm four miles west of Napoleon.

In company with Joe Nason, of Napoleon, and Earl Smith, of Ridgeville, Mr. Teeple was clearing the stumps out of a field on the farm. Nason and Smith were going on ahead drilling the holes and Teeple was following them placing the charges and firing them.

He was carrying the dynamite in a basket and at the time of the accident had about ten lbs. of dynamite and nearly 25 percussion caps in the basket. He had called to his fellow workers to "look out" for a stump to blow and had started back away from the stump about 20 feet when the dynamite in the basket let go.

The explosion was so terrific that it was heard plainly in Napoleon and vicinity, and even as far away as in the neighborhood of Liberty.

Nason and Smith, as soon as they recovered from the shock of the explosion, ran to where Teeple had been standing expecting to find him blown to pieces, but he was laying against a stump about eight feet from where the explosion occurred. He was alive but terribly cut and mangled and was carried to the home of Mrs. Durham half a mile distant and Drs. Barnhill and Maerker summoned from Napoleon.

An examination by the physicians disclosed that Mr. Teeple had been horribly mangled by the explosion. His left hand had been torn off, his

left leg below the knee blown into a pulp, his chin, cheek, forehead and ears cut and slashed to the bone and all over the body were cuts and gashes where the exploding caps had struck. There was no chance for saving the unfortunate man's life as it was evident that besides the injuries that could be seen, he had been crushed internally by the terrific explosion. No attempt was made to amputate the mangled arm and leg and all efforts were devoted toward making the few remaining hours as free from pain as possible. Life slowly ebbed away and at 1:30 p. m. death came to Mr. Teeple's relief.

The funeral will be held from the Presbyterian church this afternoon.

Elzie Teeple was born in Morrow county, Ohio, Nov. 1, 1880, and died April 4, 1916, aged 35 years, 5 months and 3 days. May 11, 1902, he was married to Miss Rosa Swin, of Napoleon. To this union have been born five children, Amelia, Audrey, Alta, Harry and Merle. Besides his wife and children, he leaves to mourn their loss, his mother, three brothers, Marshal Clark Teeple and Charles Teeple, of Napoleon, and Bert Teeple, of Ridgeville; three sisters, Mrs. Eva Bates, of Continental, Mrs. Verdie Davis, of Elyria, and Mrs. Myrtle Brandon, of Morenci, Mich.

Henry County Fair

The Henry County Fair Board and the Henry County Music Teachers Association have cooperated to announce a different type of musical program for this year's Henry County Fair.

Instead of the usual program whereby each individual county band played on different days, a more dynamic program for the All-County Concert is being planned for Friday afternoon, August 16. Tentative plans include a concert by the Henry County Band and chorus on this afternoon and an exhibition by the barbers of each band. The bands to be represented will be from Deshler, Florida, Hodge, Liberty Center, McClure, and Bridgeville. The All-County Chorus will consist of members of high school choruses from the above schools plus Hamlet and Mantua-Greton.

It is hoped that the All-County groups will be approximately of the same size and the same membership as those groups who performed at the Henry County Music Festival in March of this year. Those people who saw and heard these performances would like to plan now to attend the new Fair attraction in August.

Further details will follow in this paper concerning the names of individual students participating, dates of rehearsals, and a program of selections to be played and sung.

Ohio's crop may be

COLUMBUS (AP) — Ohio's farmers are faced with the loss of millions of dollars in corn and soybean crops as harvesting remains almost at a standstill because of water-soaked fields.

Continued rains and muddy fields, preventing harvesting rigs from doing their work, were the culprits.

THE OHIO CROP Reporting Service said harvesting of soybeans and corn is running three to four weeks behind average and that during the last two weeks, only three and a half days were favorable for field work. Muddy conditions have limited access to most fields throughout the state.

As of Monday, two-thirds of Ohio's corn for grain crop remained standing in the field. This means that only a third of the crop has been harvested to date. Last year at this time, 85 percent of the crop had been harvested.

believe, the North Vietnamese had received orders to move into advanced areas and seize as much territory as possible before the cease-fire which they then expected would begin on October 31.

BUT WHEN the cease-fire was delayed by President Nguyen Van Thieu's opposition, the North Vietnamese may have received new orders to pull back and avoid needlessly exposing themselves, some intelligence officers theorize.

Alternatively, some other officers believe the North Vietnamese may be making token or symbolic withdrawals to try to persuade Mr. Thieu to accept the draft peace settlement worked out by Hanoi and Washington. Mr. Thieu has repeatedly rejected the accord, largely because it does not provide for the withdrawal of North Vietnamese troops from the south.

SEVERAL SOUTH Vietnamese officials, including Foreign Minister Tran Van Lam, have indicated that Hanoi in fact has secretly offered to withdraw a few army units.

However, Hanoi has continued to push supplies "in relatively modest amounts" down through the North Vietnamese panhandle and across the DMZ into Quang Tri province, a senior U.S. Air Force officer said.

Toledo area reels under water, wind

Snow fell late Tuesday, adding to the woes of hundreds made homeless by the northeast storm track that brought record flooding to Point Place and the southern Lake Erie shoreline.

Meanwhile, the Ohio National Guard was called out to assist flood refugees and to guard devastated property in northwestern Ohio, outside the Toledo city limits.

IN TOLEDO, city officials made an inspection of the stricken Point Place area and studied means of obtaining financial help for the many families hit by the rushing waters of Maumee Bay.

Mayor Kessler said Tuesday night that it would be up to Governor Gilligan to declare Point Place a disaster area. He added that Toledo is able to feed, clothe, and house the refugees, but he said he is also interested in finding funds to assist in rehabilitation.

WINDS CONTINUED to blow from the northeast Tuesday night, but the National Weather Service reported from its Toledo Express Airport office that waters were subsiding gradually because of a shift of the wind to the northwest. The forecast for today calls for cloudy, cold, a chance of snow

flurries, and winds from the northwest at 20 to 30 miles an hour. This change could ease the flooding considerably, but would not clear it up.

IT BECAME apparent Tuesday as the full scope of the disaster was unfolded that victims face a long period of dislocation and emergency.

The Toledo chapter of the American Red Cross reported it had distributed tons of food and had purchased new clothing and items of all types for the men, women, and children gathered at various shelters.

AT THE Friendship shelter in Point Place, more than 500 persons were given assistance, some on a temporary basis, while others remained there while seeking quarters with friends or relatives.

Another Red Cross shelter was set up at Oregon fire station No. 1, and still another at the Port Clinton junior school. More than 100 Red Cross workers, including volunteers, were contributing their assistance.

The Toledo Humane Society offered its facilities for the care of pets of all kinds.

The violent storm system reserved some of its worst blows for Point Place, where the water

peninsula, and Sandusky, where more than 100 homes were isolated Tuesday except by boat on the long Cedar Point Road.

AFTER WALLOPING northwest Ohio and lower Michigan, the northeastern punch at the highly settled vacationland opposite the Lake Erie Islands, affecting or endangering more than 1,000 families. The islands, a favorite summer resorts for thousands, also were severely hit.

All the major areas and the intervening sections, containing hundreds of permanent or summer homes, were battered fiercely by the direct onslaught of the Lake Erie water pushed ashore by the northeast gale.

The important city docks at Sandusky were under water. At Kelleys Island, a busy resort, some docks were washed away and others extensively damaged. Its large state park was mostly under water.

THE SANDUSKY AIRPORT was forced to close because of water on the runway. About a dozen residents of Rye Beach District of Huron and around Sandusky Bay were forced out of their homes early Tuesday due to high water from the wind and rain, and the number of evacuees

Auditor of State A. V. Donahy is thankful to the Republican minority for bringing on the legislative inquiry. The first thing he found was that his distinguished predecessor covered up enormous fees to members of the Assembly by labeling them "incidental." The lead will be now explored.

How is Your Boiler?

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by all dealers.

Radium Not A Success

Has science again failed in its search for a cure for cancer? Some time ago it was announced that indications were that a specific had been found in that mysterious metal, radium, about which almost as little is known as we know about cancer itself. Since then institutions for the treatment of the disease have been established wherever the rare remedy can be obtained and various conflicting reports as to results have been received. At least a portion of the medical world has become convinced that the mysterious properties of the mysterious metal exerts a considerable influence upon the disease which has heretofore defied science. But the recent death of Congressman Bremmer, of New Jersey, who succumbed to the ravages of the disease after undergoing a long course of treatment in which tubes containing radium valued at \$100,000 was used, indicate that science will have to search farther; or that if radium is a cure, we have not yet learned how to administer it.

SUPREME COURT DECISION.

Coincidental Tax Must Be Levied With Each Issue of Bonds.

The Ohio Supreme Court handed down a decision Tuesday which is causing no little concern to local officials charged with the issuing of bonds for municipal improvements. The decision gives full force and vitality to the constitutional amendment adopted in September 1912, requiring a coincidental tax with each issue of bonds of any political subdivision. Thus hereafter, when a municipal council or the governing body of any political subdivision issues bonds the legislation must provide a tax rate sufficient to pay in-

Ill and Despondent George Crosser Commits Suicide In Toledo.

We find the following in Tuesday's Toledo Blade:

Awakened at 11:45 Monday night by screams in an adjoining bedroom in his lodging house at 23 South Superior street, William Crosser entered the apartment and found his brother, George Crosser, 33, writhing in agony on the bed.

"I have done it," moaned the stricken man as he pointed to a bottle containing a small quantity of carbolic acid.

Dr. U. S. Grant Deaton was summoned, but Crosser died in less than half an hour. Coroner Henzler rendered a verdict of suicide.

Crosser had been in poor health for several months. He came to Toledo two years ago from Napoleon and until a short time ago was employed at the Overland automobile plant.

The deceased was a son of the late John Crosser of this city and went by the name of "Jack" Crosser here. The body was brought to Napoleon for burial, the funeral taking place from the home of John Christy today.

Major Harry Lowry Dies After Sudden Paralytic Attack

**Popular World War
Veteran Was County
Sheriff Two Terms**

Major Harry B. Lowry died Tuesday afternoon at two o'clock in Heller Memorial Hospital. His death, which shocked the entire community, came as the direct result of a paralytic attack which occurred Monday morning. He was an employee of the Napoleon postoffice and when he did not appear at the office Monday inquiry was made at his home where he was found lying unconscious on the floor of his bedroom. A severe stroke of paralysis had caused him to fall, striking his head so sharply that he lapsed into unconsciousness.

He was given medical attention at once but from the beginning there was little hope of his recovery. Monday night he was removed to Heller Memorial Hospital where he rallied for a short time under oxygen treatments. A relapse followed however, and he passed away the following afternoon.

Major Lowry was one of the outstanding men of the community. He served two terms as Sheriff of Henry County, following his honorable discharge from the United States Army on May 3rd, 1918.

His war record, which is remarkable, extends back to the Spanish-American war when he served with the regular army in Cuba. At the close of this war he went with the army to the Philippine Islands. During this period of service he was made a Sergeant. After his honorable discharge, following the return from Philippines, he joined the local post of the state militia, then known as Company F. Here he received his commission as Captain which rank he held throughout the quarrels on the Mexican border where he saw active service for the third time.

On July 6, 1916, he re-enlisted in the Federal army at Camp Willis, near Columbus. Two years later on June 21, 1918, he sailed for Europe with the first American troops to touch French soil. Soon after the beginning of his service abroad he was raised to the rank of Major of the 147th infantry of the A. B. F.

He fought in the battles of Meuse-Argonne, St. Mihiel, Ypres, Lys and in Alsace Lorraine.

He was decorated for bravery with the Croix de Guerre and with one gold service chevrons.

Funeral services will be held in St. Augustine's Catholic church at nine o'clock Friday morning. Interment in Michael's Ridge cemetery.

Young Couple Reveal Secret Marriage

After keeping their elopement in comparative secrecy since the first of the year two of Napoleon's very popular young people announced last week that they were married in Ottawa, O., on December 31st.

It was a complete surprise to the friends of both Miss Margaret Wahl and Mr. Junior Frost to learn that the two young people were wed in the Presbyterian parsonage at Ottawa on New Year's eve by the Rev. Mr. Patton.

Mr. and Mrs. Otto Hurst were present at the ceremony.

Mrs. Frost will continue her studies at Bowling Green State College until June when she will receive her teacher's diploma. The bridegroom is employed in Durr & Beck's grocery here. The young couple will make their home in Napoleon.

**Hopes of Long Yrs.
To be Fulfilled
In A Few Weeks**

Secretary Okee Palmer, of the Kiwanis Club has received a letter from Col. Arthur Wood, who is at the head of the government committee to aid unemployment. The letter was in reply to a resolution passed a week ago by the Kiwanis Club, which resolution endorsed the stand of the committee in endeavoring to get the work on public buildings under headway and asking that immediate action be taken on the Napoleon new postoffice building.

In the letter Col. Wood informed the Kiwanis Club that plans for the government building at Napoleon had been completed and specifications for the contract were being prepared. He further stated that it would take about six weeks to complete these specifications and as soon as they were ready the contract will be advertised and awarded to the lowest and best bidder.

Postmaster Curdes was present at the Kiwanis meeting when the letter was read and said that he had received word from Washington along the same line as the Col. Wood letter.

This is great news for Napoleon and the boosters who have been working for over fifteen years to get a government building on the site owned by at the corner of Scott and Washington streets. Not only will the new postoffice be a wonderful improvement in the perspective of the business section of the town but the resulting work on the new building will give employment to a number of idle laborers in this section for several months. May Col. Woods' letter prove true in every particular and Spring see the government building under headway.

Veteran Was County Sheriff Two Terms

Major Harry R. Lowry died Tuesday afternoon at two o'clock in Heller Memorial Hospital. His death, which shocked the entire community, came as the direct result of a paralytic attack which occurred Monday morning. He was an employee of the Napoleon postoffice and when he did not appear at the office Monday inquiry was made at his home where he was found lying unconscious on the floor of his bedroom. A severe stroke of paralysis had caused him to fall, striking his head so sharply that he lapsed into unconsciousness.

He was given medical attention at once but from the beginning there was little hope of his recovery. Monday night he was removed to Heller Memorial Hospital where he rallied for a short time under oxygen treatments. A relapse followed however, and he passed away the following afternoon.

Major Lowry was one of the outstanding men of the community, he served two terms as Sheriff of Henry County, following his honorable discharge from the United States Army on May 3rd, 1919.

His war record, which is remarkable, extends back to the Spanish-American war when he served with the regular army in Cuba. At the close of this war he went with the army to the Philippine Islands. During this period of service he was made a Sergeant. After his honorable discharge, following the return from Philippines, he joined the local post of the state militia, then known as Company F. Here he received his commission as Captain which rank he held throughout the quarrels on the Mexican border where he saw active service for the third time.

On July 6, 1916, he re-enlisted in the Federal army at Camp Willis, near Columbus. Two years later on June 21, 1918, he sailed for Europe with the first American troops to touch French soil. Soon after the beginning of his service abroad he was raised to the rank of Major of the 147th infantry of the A. E. F.

He fought in the battles of Meuse-Argonne, St. Mihiel, Ypres, Lys and in Alsace Lorraine.

He was decorated for bravery with the War Cross of Belgium and with one gold service chevron.

His war record ends with his honorable discharge from the army at Camp Sherman on May 30, 1919.

Full military and Masonic rites will be solemnized for Major Lowry at the Methodist Church Sunday afternoon at two o'clock. Both Company L. and the Masonic Lodge will be in attendance.

Mr. Lowry leaves a wife and three children, Benton 18, Russell 16 and Dorothy 6. His father F. W. Lowry resides west of Napoleon. He is also survived by two brothers, Earl of Wyoming and Tracy of Toledo.

Mr. Lowry was 49 years old at the time of his death.

Local Ford Automobile Show

Residents of Napoleon will have an opportunity to "visit" the great plants of the Ford Motor Company through the medium of a sound motion picture to be exhibited at the showrooms of the Collins Motor Sales, local Ford dealers, in cooperation with Ford dealers in neighboring towns.

The movie will be part of an automobile show in which the complete line of the latest Ford passenger cars and trucks will be exhibited. The show will be open to the public free of charge beginning at 8:00 p. m. on Friday, Jan. 30, and at 2:00 p. m. on Saturday, Jan. 31.

Those who visit the show will be able to learn not only how the Ford cars and trucks are manufactured in quantity production but to obtain some idea of the variety of the Ford enterprises.

Young Couple Reveal Secret Marriage

After keeping their elopment in comparative secrecy since the first of the year two of Napoleon's very popular young people announced last week that they were married in Ottawa, O., on December 31st.

It was a complete surprise to the friends of both Miss Margaret Wahl and Mr. Junior Frost to learn that the two young people were wed in the Presbyterian parsonage at Ottawa on New Year's eve by the Rev. Mr. Patton.

Mr. and Mrs. Otto Hurst were present at the ceremony.

Mrs. Frost will continue her studies at Bowling Green State College until June when she will receive her teacher's diploma. The bridegroom is employed in Durr & Beck's grocery here. The young couple will make their home in Napoleon.

Exchange Club

The Napoleon Exchange club was addressed, at its regular meeting Tuesday night, by the Rev. Mr. Kenneth D. Leary, of Maumee. He spoke on the meaning and function of the Exchange club in its community. With him, and among the many other guests, was Mr. Eckenrode, of Toledo, well-known Exchange Club worker.

About twenty-five members were present. Mayor Fred Sattler spoke briefly on civic enterprises and particularly on help of the needy which has been one of his chief tasks while in office.

Donald DeTray played a cornet solo, accompanied at the piano by his sister, Miss Helen DeTray.

The club is starting a membership drive and plans to stage a lively contest during the next half dozen meetings. The members signified their willingness to co-operate with local business men in their effort to get in close touch with the farmers of nearby localities.

Mr. Dale Hoff, prominent Exchange clubman and president of the Grand Rapids Club will speak at the next meeting. Mr. Hoff has worked with the national club and gives promise of offering a great deal of valuable as well as entertaining material in his speech.

Among the Tuesday night guests were: Fred Sattler, Walter Gathman, R. S. Benham, Harry Fuller, Walter Bowsher, John S. Petersen, Ray B. Schueler.

60 Years Fulfilled In A Few Weeks

Secretary Oke Palmer, of the Kiwanis Club has received a letter from Col. Arthur Wood, who is at the head of the government committee to aid unemployment. The letter was in reply to a resolution passed a week ago by the Kiwanis Club, which resolution endorsed the stand of the committee in endeavoring to get the work on public buildings under headway and asking that immediate action be taken on the Napoleon new postoffice building.

In the letter Col. Wood informed the Kiwanis Club that plans for the government building at Napoleon had been completed and specifications for the contract were being prepared. He further stated that it would take about six weeks to complete these specifications and as soon as they were ready the contract will be advertised and awarded to the lowest and best bidder.

Postmaster Curdes was present at the Kiwanis meeting when the letter was read and said that he had received word from Washington along the same line as the Col. Wood letter.

This is great news for Napoleon and the boosters who have been working for over fifteen years to get a government building on the site owned by it at the corner of Scott and Washington streets. Not only will the new postoffice be a wonderful improvement in the perspective of the business section of the town but the resulting work on the new building will give employment to a number of file laborers in this section for several months. May Col. Woods' letter prove true in every particular and Spring see the government building under headway.

Student Stands High In Tests

George Crawford, a former student of the Liberty Center high school, is making fine progress at Ohio Northern University. Mr. C. L. Bard, principal of the Liberty Center high school, received a letter from the Director of Teacher Training at Ohio Northern stating that Mr. Crawford had made the second highest score in the Entrance Achievement Test in English, scoring 175. The winning student scored 176. The average test score of 2787 college freshmen in widely scattered schools in this section is 94.

While a student at Liberty Center, Mr. Crawford made a fine record as an athlete, being named on the all-league football team besides winning several track events. Last May he took second place in the all-state chemistry examination sponsored by Wittenberg College, Springfield, O.

Will Give Comedy At Ridgeville

The Walther League of St. Paul's Lutheran Church of Napoleon will present "Welcome Home, Jimmy", the comedy-drama, in the Giffey hall at Ridgeville Corners on Saturday evening at 8 o'clock under the auspices of Zion Walther League.

This play was successfully presented in the St. Paul's Lutheran Parish Hall on Dec. 4 and 5 of last year. Because of its pleasing character and because the play took so well with the audience Zion Walther League invited the players to stage it in Ridgeville.

Paul R. Lankenau, who directs the play, anticipates a large attendance. Through his efforts the players achieved success in the presentation. A large number of tickets have already been sold and it is hoped that the auditorium will be filled to capacity.

"Welcome Home, Jimmy" is recommended by the publishers as one of the finest plays of its character ever written. Because of its high qualities, the local organization obtained special permission to stage it, and is also required to pay royalty for every per-

People and Politics

By Judd Arnett

WHILE A NUMBER of things can happen between this writing and six-thirty Friday evening, it would appear right now that the Democrats have won two important offices without so much as a struggle. We speak of the Common Pleas judgeship and the state representative's job.

Judge J. M. Rieger and Lester A. McClure seem to have frightened off the opposition, but of course there is always the possibility that Ferd Behrens, the Republican boss, will haul off and pass an ultimatum conscripting two of his bravest warriors to battle. Sometimes it is good politics to present a full line-up even though it is necessary to draft a brace of stop-gaps by the names of Elmer and Oscar to play third base and left field, respectively.

We have yet to meet a politician, Republican or Democrat, who doesn't think Mr. McClure would be harder to beat than a hotel rug, and as for Judge Rieger—why he can more than hold his own in fast company. We have never seen His Honor in a strictly free-for-all campaign, but we have an idea he could pass out cigars and kiss babies with the best of them if necessity demanded such a flare-back to the good old days.

The Republicans lack material for the judgeship for the simple reason that most of the available lawyers are either making too much money or are dead politically. There is a smidgen (that's hill billy for small amount) of timber on hand for the representative's office, but then there is always the fearsome spectacle of Mr. McClure, widely respected for his actmen and vote-getting powers, confronting the likely Mrs. McClure, who is built like a Mack truck, seems to be insurmountable.

OTHERWISE, WE the people should be treated to at least two hot primary battles and four spanking good general election scraps.

The Republicans seem to have cooked up a three-star special in the auditor's race which will pit Clida Fraas, James Murray, and Otto Lankenau in the same arena. Picking the winner of this date is next to impossible, but unless we're mistaken Mr. Murray has the better connections. However, Mr. Lankenau isn't in this thing for his health, while Mr. Fraas showed considerable vote-getting ability in 1936 when he ran away from the field in the township clerk's affair. But we'll pick Murray—subject to overnight cancellation.

We come down to the Congressional race and find the shadow of Timothy T. Ansberry looming very large. Don't be surprised if he gives Frank Kniffin a terrific battle. For one thing, you won't find a better name in Fifth District politics than that of Timothy T. Ansberry. It has what the moderns call "sexing." It's catchy. And it's well known. Mr. Ansberry, we are given to understand by people who should know, has plenty of the right connections. He's a Democrat of the old school, a former prominent Congressman from this district, and by way of being a progressive. If he can carry his home county of Defiance, which is always unpredictable, and make hay in Putnam, he may win.

This is no indictment of Mr. Kniffin

Death Takes Lillian Lowry, City Treasurer

Succumbs Suddenly At Home Here; Funeral Tuesday

SELECT SUCCESSOR

City council was to meet in adjourned session Wednesday night to select Mrs. Lowry's successor as city treasurer. No attempt was made to fill the vacancy at the regular meeting Monday night, nor was there any indication as to whom Mayor Byron Rasey has in mind for the position. In emergencies such as this it is customary for the mayor to name the successor, subject to the approval of council.

Mrs. Lillian A. Lowry, 54, city treasurer the past five years, died suddenly at her home at 409 E. Washington St. last Saturday morning at 7 o'clock. Cause of death was cerebral hemorrhage.

Funeral services at which city officials, including council and the water and light board, paid last respects, were held Tuesday afternoon at 2 o'clock from the Boyer Funeral Home, with the Rev. J. Otis Young, pastor of St. Paul's Methodist Church officiating. Interment was made in Forest Hill cemetery.

Mrs. Lowry, the daughter of George and Emma Walters, was a member of the Ladies Auxiliary of the American Legion, of the Women of the Moose, and of the Sunday School Class No. 11 of St. Paul's church.

Surviving, besides the mother, are two sons, Benton and Russell, both of Napoleon, a daughter, Miss Dorothy Lowry, Napoleon; two grandchildren, a sister, Mrs. Jule Black, Akron; and a brother, Harold Walters, Napoleon.

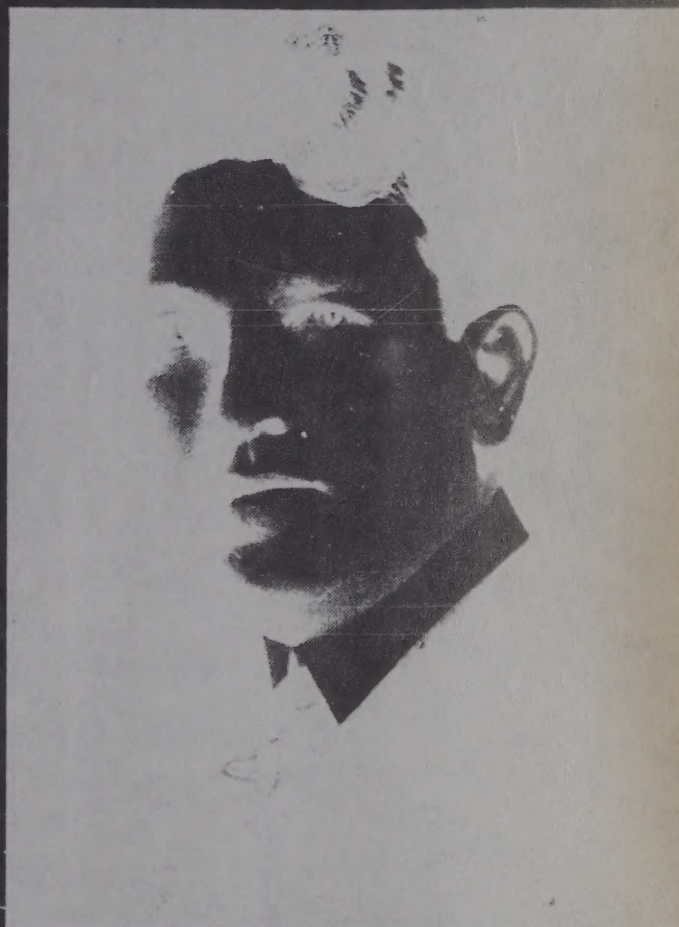

Mrs. Lowry was serving her third term as city treasurer, having been elected in 1936, approximately a two-to-one majority over her Democratic opponent. She was the widow of Harry Lowry, who was twice elected county sheriff previous to his death about nine years ago.

Back In The Race

TIMOTHY T. ANSBERRY

The oldsters and near-oldsters of today may recall the first time—about 25 years ago—this picture of Tim Ansberry appeared in the Northwest-News. Mr. Ansberry was the efficient and popular Member of Congress from the Fifth Congressional District at that time.

This week Monday, Mr. Ansberry announced that he will seek the Democratic nomination for Representative, opposing Incumbent Frank Kniffin. As early as Wednesday the announcement was creating considerable stir throughout the district, for it is anticipated that Mr. Ansberry will have the "blessing" of the National Democratic Committee. Mr. Ansberry, an attorney, makes his home in Defiance.

G. O. P. Race For Congress Takes On Definite Shape

The Republican Congressional race assumed definite proportions late last week when a Bryan merchant announced that he would seek the nomination in opposition to Otis Johnson of Delta.

The merchant is Cliff Clevenger, manager of the Uhlman store, and a member of Williams county's ultra-conservative majority party. Mr. Clevenger has been active in politics for several years, and would have been a candidate for Congress in 1936 and for the Fifth District G. O. P. nomination. Live Wire Kills Youth

Richard Schaper, 12, Liberty high school, who would have topped the junior class next Fall, was instantly killed late Wednesday noon when he touched a high-tension wire which carried 6900 volts of electricity.

The accident occurred at the 8 & I water tower at the new railroad bridge five miles east of Napoleon, along with his twin brother Robert and two friends, Don Bell and Richard Deland. They had been swimming in the river. On their home the twin live with their parents, Mr. and Mrs. Harry Schaper.

Wise words from Cass Cullis: "It is time for America to look up and take courage, remembering that this country is tops—so much better off than any other nation in the world that no comparison is possible. Uncle Sam isn't on his way to the junk yard, the garbage pail or the poor house, he's going to town; the pessimists can't stop him." . . . In other words, quitcherbelyachin about the possibility of a "post war depression."

THE GOOD city fathers are to be complimented on the success of the Fourth of July celebration. The huge crowd, the smoothness with which the program was unfolded, the manner in which traffic was directed to and from the park—these things and many others attested to the considerable effort which was made in preparation for the event. Small town officials don't get half the credit they deserve, especially when they happen to be as wide awake and progressive as Roy Gilson and cohorts.

WHO IS underpaid—the Councilman who gets \$48 a year, or the County Commissioner who draws \$104 a month?

Mrs. Cecelia Meekison Found Dead In Home

Mrs. Cecelia Meekison, 64, was found dead in her home on West Main Street at 3:30 p. m. Sunday by her sister and brother-in-law, Mr. and Mrs. Wm. Wm. Franz who had gone there to investigate after Mrs. Franz saw lights burning in a room upstairs and in the basement of the Meekison home. Receiving no response to her knocking at the door, she called her husband, who with the aid of George Murray forced a storm door to gain entrance to the house. They discovered Mrs. Meekison's lifeless body on the steps of the landing to the basement where she had died from the effects of a fall the previous afternoon.

They at once summoned Dr. Julian Harrison and acting coroner Dr. Thos. Quinn, who rendered a verdict of accidental death. It is surmised that Mrs. Meekison suffered a stroke as she started to the basement, falling headlong down the steps, striking her head on the landing and died without a struggle.

The body was removed to the Boyer-Walker funeral home until the time of services Wednesday afternoon at which Rev. Geo. Whyman officiated. Interment was made in Glenwood cemetery.

Mrs. Meekison was a daughter of the late Mr. and Mrs. Harry Webb, who formerly operated the "Capitol House", corner Oakwood Avenue and Filmore Street. She was married to Bruce Meekison, a Spanish and World War I veteran who preceded her in death about 15 years ago. Since then she has lived alone in the Webb home. She is survived by a sister, Mrs. Wm. Franz of Napoleon and several nephews and nieces.

Snyder, president of the Henry county farm bureau service association, announces the annual meeting of this group which will start with a dinner at noon at the Methodist church basement in Napoleon and followed by the annual business meeting in the afternoon. The farm bureau federation is tied with the American farm bureau federation, an organization of over 1,000,000 farmers.

Many local people have difficulty in understanding the difference between the Henry farm bureau and the Henry county farm bureau commercial service association.

The Chances

age is 10½ years. The children of Napoleon are fortunate to have the experienced staff of teachers they now have. The administrators of education claim that it takes five years of experience for a teacher to become acclimated to a particular school system. Napoleon City has developed a staff that is above average in training and experience. It is apparent that the administration and school board in Napoleon has placed considerable value on securing and maintaining a well qualified staff. It is necessary to determine the caliber of education we people want our children to have. To continue on the same high level without teacher and experience loss, we must be prepared to remain competitive in salaries.

Where does our interest in our child lie, do we want him to continue on his path, or will it be necessary for him to miss some important steps in his education because you felt we didn't need to be competitive and didn't need our present staff?

Death Takes Lillian Lowry, City Treasurer

Succumbs Suddenly At Home Here; Funeral Tuesday

SELECT SUCCESSOR

City council was to meet in adjourned session Wednesday night to select Mrs. Lowry's successor as city treasurer. No attempt was made to fill the vacancy at the regular meeting Monday night, nor was there any indication as to whom Mayor Byron Rasey has in mind for the position. In emergencies such as this it is customary for the mayor to name the successor, subject to the approval of council.

Mrs. Lillian A. Lowry, 54, city treasurer the past five years, died suddenly at her home at 409 E. Washington St., last Saturday morning at 7 o'clock. Cause of death was cerebral hemorrhage. 6-4-1938

Funeral services at which city officials, including council and the water and light board, paid last respects, were held Tuesday afternoon at 2 o'clock from the Boyer Funeral Home, with the Rev. J. Otis Young, pastor of St. Paul's Methodist Church officiating. Interment was made in Forest Hill cemetery.

Mrs. Lowry, the daughter of George and Emma Walters, was a member of the Ladies Auxiliary of the American Legion, of the Women of the Moose, and of the Sunday School Class No. 11 of St. Paul's church.

Surviving, besides the mother, are two sons, Benton and Russell, both of Napoleon, a daughter, Miss Dorothy Lowry, Napoleon; two grandchildren, a sister, Mrs. Jule Black, Akron; and a brother, Harold Walters, Napoleon.

Mrs. Lowry was serving her third term as city treasurer, having been elected in 1936 by approximately a two-to-one majority over her Democratic opponent. She was the widow of Harry Lowry, who was twice elected county sheriff previous to his death about nine years ago.

Major Harry Lowry Buried With Honors

Paying their respects to a soldier and citizen thousands of friends gathered at the Methodist church here Sunday afternoon to attend the funeral services of Major Harry R. Lowry.

The well known and loved soldier was given a full military funeral and friends from every walk of life gathered together to pay their last respects to a hero.

Funeral services at the church were conducted by Rev. Heistand of the Methodist church, while Rev. Lowry of the First Presbyterian church read the scripture. D. D. Donovan gave a short eulogy following Rev. Heistand.

Attending the rites were Spanish-American War Veterans, members of the American Legion, Co. L 148th Inf, members of Napoleon Lodge No. 256, F. & A. M., and members of the postal service.

Officers who served overseas with Major Lowry acted as pall bearers and a firing squad formed an honorary escort. The casket carrying the body of the World War officer was carried on a caisson drawn by four horses. Following the services at the church the line formed on Webster street and passed by the Memorial hospital on Clinton street, so that Rush Fye, a patient in the hospital might observe the procession. Fye served under Lowry on the Mexican border and later in the World War.

Thousands paid their last respects for Major Lowry at Forest Hill cemetery where burial was made. Representatives from several organizations also paid their respects followed by the honor salute by the firing squad. As the casket was lowered into the grave, taps were sounded by Orville Thornton and Howard Hudde.

A well-dressed Hindoo woman wears but one piece of cloth; this is six or eight yards in length, and a yard and a quarter wide. It is wrapped in graceful folds about her waist, shoulders and body, allowing it to hang loosely in some directions and tucked here and there to keep it in place. She is neatly and becomingly dressed without using pins, buttons or strings. Still you wouldn't want your wife or daughter to dress that way.

BAKER'S ICE WATER,

Cereals Mixed Therein.

Not all the harm said to come from iced tea is caused by the cold. Many persons who suffer from stomach and nervous disorders, find great relief by abandoning tea and coffee entirely. It is a common practice of the bakers who work all day over hot stoves at the Postum Cereal factory at Battle Creek, Mich., to stir cereals into the jars of ice water. Experience proves that very cold water can be used quite freely this way without the ill effects likely to follow the free use of plain ice water. This should teach a lesson. If one must have iced drinks at meals during the hot weather, take all the advantages possible and use Postum Cereal, the grain coffee, iced with sugar and a few drops of lemon juice. This gives a delicious cooling drink which is food in a liquid state and very nourishing and strengthening. Postum will agree with weak stomachs that suffer from tea or coffee, and is a great nerve builder, taken either hot or iced; try it.

There is but one genuine original Postum Cereal on the market with a multitude of imitations offered "just as good."

A Free Silver Republican Addresses an Open Letter to the "Sage of Mansfield."

ZANESVILLE, O., Aug. 19.—W. C. Munson, one of the prominent free silver Republicans of the state, a brother of Judge Munson and a journalist here, has addressed the following open letter to Senator Sherman:

"Your close political associates and distinguished men in the Republican party take delight in saying that the Hon. W. J. Bryan is in the employ, at a salary of \$6,000 a year, of the silver millionaires of the west. This, Mr. Bryan denies, and as an honorable man I believe him.

"And now, Senator Sherman, a few words to you. For a year I have watched your career and am aware that you only carried a chain for the surveyors on the Muskingum river improvement, and honor you, for that was honest toil. You have been before the public in various capacities for three dozen years. In that time you have held office constantly.

MULLET.—Mary Eve Mullet was born in Landau, Hessen, Darmstadt, Germany, January 25th, 1834, and after a short illness of two weeks duration she peacefully departed this life at the home of her son, Geo. TO THE MOTHER:

She sits in the lonesome twilight
With empty arms on her breast,
And her heart is stony with sorrow
Yet sick with a wild unrest.

She knelt by the empty cradle
And thought of her baby's grave,
And cried Oh God! how cruel
To call back the one that You gave.

She thought of him out in the darkness
With the rain on his little bed,
With no arms to fold about him
Or pillow his sunny head.

She fancied he woke from slumber
Frightened and calling her,
And the grief of the stricken mother
The hardest heart would stir.

A voice that was sweet with pity,
Said tenderly, "Peace, poor heart,"
And she saw in a swift sweet vision
Heaven's gates swung wide apart.

And for all her bitter sorrow
That one swift glimpse sufficed,
For she saw her precious darling
Asleep in the arms of Christ.

Last fall Chas. Blanchard of Liberty Center gave Logan Bowker, son of Capt. Bowker of that place, a horse and buggy and a number of clothes racks in order that Bowker might act as his (Blanchard's) agent, driving around through the county selling these racks. Instead of following Blanchard's instructions Bowker started south selling the horse and buggy and all the clothes racks and appropriating the proceeds. He was heard from in Texas several times, until last week Mr. Blanchard obtained information that his man was seen hanging around Carey, Tuesday in company with Sheriff Pender he went to Carey and Bowker was placed under arrest and brought to Napoleon and lodged in jail. OBITUARY OF WILHELMINA CHRISTINE ROSEBROCK

Wilhelmina Christine Rosebrock was born in Samotschin, Germany, on August 17, 1863, the daughter of August Lueck and Minnie Schultz.

The same year she received the Sacrament of Holy Baptism. She re-affirmed her baptismal vows at her Confirmation, on April 8, 1877, also in Samotschin, Germany.

In the year 1886, she left Germany and went to Kinsley, Kansas. After a short time she moved to Lutherville, Arkansas. There she was united in wedlock to Geo. Rosebrock on December 13, 1888. To this union were born eight children, one of whom, a daughter, Adeline, has preceded her in death.

In the year 1900, Mr. and Mrs. Rosebrock came to Ohio where they settled in Defiance County for ten years, after which, in the year 1911, they moved to a farm near Ridgeville Corners which was their home for the rest of their days.

It was on September 30, 1939 that Mrs. Rosebrock suffered a fall in which she broke her hip. After this accident she was never again able to walk. She remained bedfast for almost 18 years until death brought her a blessed release.

Her husband, George, who was afflicted with blindness, preceded her in death, departing this life on February 13, 1944.

After experiencing a difficult winter, Mrs. Rosebrock took a turn for the worse on March 3 of this year and again on March 24, after which she steadily grew weaker until the Lord in His mercy took her home to Himself on Tuesday morning, April 2, 1957. She had attained the age of 93 years, 7 months, and 16 days. It was not her lot to suffer a painful death, but quietly fell asleep to await the Day of the Lord.

Mrs. Rosebrock was a member of Zion Lutheran Church, Ridgeville Corners, for approximately 46 years and faithfully received the Word and Sacrament until her very end.

She is survived by her children, William, living at home Henry

Plan Second Town Meeting For Defense

Hope To Get OCD Films; Auxiliary Fire Class Starts Thursday

Another "town meeting" is being planned by the Deshler Defense Council, to be held on the night of Thursday, July 9, A. J. Cluff, council director, said this week.

There are a number of interesting and instructive films issued by the Office of Civilian Defense, and it will be attempted to have one of these available for showing then. Mr. Cluff said. The meeting will be held in the school building.

Another feature of the meeting on July 9 will be the granting of certificates to the men who successfully completed the Red Cross first aid course held here recently.

A class for auxiliary firemen is being started Thursday night at the city building, with the Deshler fire department in charge. Mr. Cluff stated. About twenty-five people are enrolled in this class, which will aim to give instruction in basic fire-fighting principles necessary in time of emergency. The membership includes several women of the community who will take instruction in the work.

Anyone who wishes to enter this class may do so by being present for the meeting Thursday evening, beginning at 8:30.

The defense council held a meeting in the city building Friday night, well attended by most of the directors, and discussed its plans for the future. One of the results of the discussion was a decision to have Mr. Cluff and Mayor Richmond bring up before the village council at its meeting Friday evening the part that the council can play in backing up the defense council and its work.

A Junior first aid class for girls of high school age will be started Friday afternoon this week, with Mrs. B. L. Johnson as instructor. Any girls who wish to take this course may see either Mrs. Johnson or Mrs. G. L. Dubbs about enrolling in it.

"Is Fraternal Secrecy Detrimental to Christianity."
The above is a question of vast importance and should be thoroughly understood by all interested therein. Some religionists have, honestly, hoisted the banner of "Anti Secrecy" and upon it inscribed sayings of certain advocates of their cause and thereby endeavored to persuade the members of their particular organization that absolute freedom from secret societies must be maintained in order to live a christian life and finally reach that heavenly harbor toward which the prow of every ecclesiastical boat is supposed to be pointing. Others, taking different views of the subject, have granted affiliation with various secret societies and as a result many members of popular churches are identified therewith. It is not, however, our purpose to render a verdict in favor of either party in this article, but to call the public's attention to the fact that Col. R. Pinney Smiley—"The American Orator," who is recognized as one of the most brilliant lecturers on the Continent, will discuss this topic in his lecture in the Opera House, Tuesday evening, Sept. 24th, to which the public are generally invited, and those failing to hear the Colonel will miss a rare literary treat as well as the discussion of a subject which has much merit and will be made intensely interesting by this King of the platform.

Hand Smashed.
Daniel Angel, engineer at Bruner & Son's hoop factory, had his left hand and wrist badly smashed last Wednesday. He was packing one of the bearings on the engine when the crank broke loose and caught his hand with the above result. Dr. Powell dressed the wound and the patient will be able to resume work in several weeks.
Death of George Walters.
Geo. Walters, one of the oldest residents of Napoleon, departed this life on Monday morning of paralysis. He was aged 67 years and 8 days and had lived in this city for nearly 40 years. The funeral services were held Wednesday morning from the residence and the German Lutheran church, Rev. Damman, officiating.
Bonds Redeemed.
The county commissioners have just paid off \$7,000 more of the court house bonds, at a saving of \$2,484 interest had the bonds been allowed to run to maturity, and at the same time relieving the treasury of that much money, which is commendable. This makes \$40,000 of court house bonds redeemed since January 1st, 1893, and by January 1st, 1896, the county commissioners expect to swell the amount to \$51,000. If this good work is allowed to proceed our bonded indebtedness will receive a black eye within a few years.
In and Out.
On Monday Mr. Levi King's term as county commissioner ceased, and his successor, Rufus Hill, of Bartlow township, took the oath of office and his seat upon the board.
Mr. King has made an excellent official, and while he has not served two full terms, on account of being a victim of the great political landslide of last fall, his defeat was not a test of his ability and honesty as a commissioner, but more of a happening which could not be well avoided. He leaves the office with the best wishes of all.
It is to be hoped Mr. Hill will make as good a commissioner as did his predecessor, and there is no reason why he should not, if he is only actuated for the good of the people of Henry county. He has the good will of the NORTHWEST in his official career.

Henry County Sunday School Association.
Pursuant to previous announcement this important association met its 7th annual convention at the M. E. church at Napoleon on Monday, Sept. 9th, continuing two days. The G. A. R. encampment at Louisville, the Pioneer meeting at Ft. Meigs, together with corn cutting and wheat sowing among the farmers, all had a tendency to make the attendance lighter than usual, yet, notwithstanding all these draw-backs, the convention was a decided success both as to numbers and enthusiasm.
Pres. Crockett was on hand as general-in-chief of the forces and in his usual pleasant manner led them in the onslaught. Prof. A. Stough had been engaged to lead in the song services but was unavoidably absent. Prof. A. P. Meyers of Toledo, author of the "Search Light," came in his stead and proved the right man in the right place, so that the convention lost nothing by the exchange.
The devotional exercises were conducted by Rev. Williams in the absence of Rev. Donahay. The first thing on the program was the reports of superintendents. Twenty reports were received showing that most of the schools in the county are in a flourishing condition.
"How can I make my S. S. work more effective" was the subject assigned S. A. Philpott, of McClure. It was handled most admirably and by the request of the convention it will be offered to the county papers for publication.
Monday P. M. the convention was opened with a song service led by Prof. Meyers. Devotional exercises by Rev. Donahay, after which the address of welcome was given by Miss Lulu Coover of Napoleon in a very pleasant manner and in choice words Pres. Crockett responded in his usual earnest way.

Making Memories

By Sandra J. Weirauch

Lois Sworden Wiechers of Napoleon remembers during the 30s and 40s that Saturday night was the big night in Napoleon.

The kids would head for the popcorn stand to grab a 5-cent sack of popcorn, then race to get in line for the 10-cent tickets for their favorite movie. Meanwhile, teenagers strolled the main street from Hays Bowling Alley, Mike's Confectionary Store ending up at Vic's Ice Cream Parlor, which was supposed to be the best spot to see and be seen. A 5-cent cherry Coke could be made to last all evening.

She also remembers the brightly lit town and the fun of brows through the dime stores, especially Bassetts' upstairs at Christmas time.

McKinley Day Meeting Saturday at Wauseon

The 101st anniversary of the birth of the late President William McKinley is January 29, 1944, and the Fulton County Republican Executive Committee is sponsoring a McKinley Day meeting in Wauseon in the evening of that day. The meeting is to be held in the auditorium of the Wauseon Elementary School building on East Elm street at 7:30 o'clock. An invitation is extended to any one in this, the Fifth Congressional district to attend.

Congressman John Marshall Robison of Kentucky is to be the speaker. Cong. Robison is serving his tenth term in congress. He spent his boyhood days on an Ohio farm and attended the National Normal University at Lebanon, Ohio, and the Ohio Northern University at Ada.

There are to be no tickets sold nor a banquet served. The committee has arranged for a social hour following the program at which coffee and doughnuts will be served.

The meeting is to honor the memory of William McKinley and the principles of government and the rights of a free people for which he stood and to bring together those in the Fifth district for a conference and a renewal of friendship that has prevailed throughout the district.

Four Henry County Soldiers Reported Missing in Action

Listing four men from Henry county, the war department has notified relatives by wire that each of the men are listed as missing in action. The list includes: Staff Sgt. Warren H. Long, Sgt. Robert Fruth, Tech. Sgt. Benton E. Lowry and Staff Sgt. Paul Schroeder.

Sgt. Long is the son of Mr. and Mrs. Lloyd Long and he has been stationed in England since last October. Sgt. Fruth is the son of Mr. and Mrs. Alfred Fruth of Flat-rock township. Sgt. Lowry was serving with the 8th Bomber Command in England and was a radio operator on a flying fortress. He was a son of the late Major Harry Lowry who served in the first world war and was commanding the Napoleon National Guard unit when the company entered federal service.

Sgt. Fruth, who was assistant flight engineer and waist gunner on a B-24 bomber has been missing over German territory since Jan. 7th.

In one of the last two letters Mrs. Benton Lowry received from her husband, T/Sgt. Benton E. Lowry Sr. he told her that if ever she would be notified of his being missing he would probably have

been taken prisoner because fliers always "bail out" when trouble develops.

A recent letter from Sgt. Lowry to his sister stated that he had been awarded the Air Medal.

Herewith is a copy of the message received from the War Department this week: "The Secretary of War desires me to express his deep regret that your husband, T/Sgt. Benton E. Lowry, Sr. has been reported missing in action since January eleventh, over Germany. If further details or information are received, you will be promptly notified". The message was signed by the Adjutant General.

Staff Sgt. Schroeder is the son of Mrs. Anna Schroeder of Ridgeville Corners. He enlisted in the army three years ago and was serving as a flight engineer on a B-24. According to the telegram from the war department which was received by Mrs. Schroeder on Sunday, Sgt. Schroeder had been stationed in the Asiatic area and was listed as missing since Jan. 15.

He has two sisters, Mrs. Karl Dettler and Mrs. Clarence Mead and two brothers, Clarence, who resides in Archbold and Victor who lives at Holland.

School nurses do more than first aid

School nurses certainly do more than first-aid! During the year, nurses become involved in medical records, health programs and individual health problems, and work with local health and welfare agencies.

The goal of our nurses is to help each student do his or her best in school. Sometimes

or a special program a teacher may request.

Having large numbers of students around invariably does mean a periodic illness, scrap or bruise. Last year, NCS nurses were involved in treating 2,300 first-aid and injury cases at school, plus caring for students that needed to rest or go home due to illness. Referrals to doctors or clinics are made for students with a condition needing medical attention, such as for a vision problem or an

are expected to have been chosen.

In Napoleon this week the campaign continues at its present pace. Monday night the following predictions will become facts:

Sattler Victory Predicted
ONE—Fred Sattler, Democratic candidate and mayor during the six worst years of the depression (1930-1936), defeated incumbent Byron Rasey by approximately 200 votes. Those who knew Napoleon and the temper of its people believe Mr. Sattler now has the upper hand. This view is prevalent among Republicans as well as Democrats.

In the election Tuesday it is predicted that party lines and "home ties" will both suffer rather badly. For instance, it is now common knowledge that the council-Rasey row over the swimming pool has cost Mr. Rasey a number of regular Republican votes. Likewise, his stand has probably earned him some support among the content Democrats, but the fact that the mayor has quarreled with leaders of his own party will probably do him no harm than good.

"Slots" Still An Issue
The question of slot-machines, not an open issue in this campaign but a vital matter for serious consideration in some circles, is also likely to shatter party lines. Those persons, Republicans and Democrats alike, who drifted from the machines during the "dry" days here, are likely to support Byron Rasey, perhaps in the hope that the devices will be returned again to them. These people are numerous and will cast quite a figure in the election. It naturally follows that the people who don't like slot machines—and they are too—will vote for Fred Sattler. So much for party lines.

South Side Vote Even?
As for "home ties," it is the belief of many qualified observers that Mr. Rasey's large majority in Ward five, South Side, as of two years ago will be reduced considerably Tuesday. If the campaign continues its present pace, Mr. Sattler will come out of the fifth ward with approximately an even split.

Three Councilmen Safe
TWO—At the present time it seems safe to assume that only three of the five incumbent councilmen seeking reelection will make the grade. Harry Knipp, George Hildred and William Smith should win, but Harry Ludwig and Virgil Wilson have a battle on their hands. Ludwig and Wilson have both enjoyed good records, but they have been at odds with some of Mr. Rasey's policies. Both will have to stand on their own feet in this election, making as individuals rather than as party regulars.

Other Races Close
THREE—For other salaried offices, the races look too close for accurate prediction. Arthur Saneholtz, only moderate candidate, should be elected to the Board of Public Affairs.

FOUR—In the only county-wide race, that for the County Board of Education, incumbents Emma Delph and Henry Scheele should win.

Changes Plea, is Sentenced

Richard Knapp, 22, Napoleon township, was charged with the guilty to a charge of common pleas court here last week. Monday, however, his attorney advised he was not guilty and was released to serve from one to twenty years in the Marion Reformatory by Judge J. M. Blevins.

Knapp, arrested by city police last week, was charged with attacking a fireman.
